MESSAGE

One of the oldest universities in India, Panjab University (PU) was established in Lahore in 1882. It has a proud tradition of pursuing excellence in teaching and research across diverse fields, including science and technology, humanities, social sciences, performing arts, and sports. The University is dedicated to fostering innovation in academic programs and promoting excellence in research, scholarship, and teaching. Our Vedic motto, 'Tamso Ma Jyotirgamaya'—"From darkness, lead me to light"—reflects our commitment to attracting and supporting the best students and faculty who excel in both teaching and research.

Panjab University is recognized as a hub of learning and knowledge creation in northern India. As a higher education institution (HEI), it attracts students from all over the country, creating a truly cosmopolitan atmosphere. This year alone, we received around 4,000 international student applications, further enhancing our global presence. In the recent NIRF rankings, Panjab University was ranked fifth among state universities. Additionally, the Centre for World University Ranking (CWUR) placed PU among the top 4% of HEIs globally for the year 2023-24. Panjab University also ranked in the 601-800 bracket in the Times Higher Education Rankings 2024 and 301-350 in the QS World University Rankings 2024 for Asia.

In 2023, thirty-two of our esteemed faculty members were listed among the top 2% of scientists globally. Faculty members are involved in over 100 research projects, and Panjab University faculty and students have been granted 43 patents in the year 2023-24. The University Grants Commission (UGC) has also recognized Panjab University with Category-I status under its regulations for graded autonomy.

Over the past academic year, Panjab University has made significant strides in implementing the National Education Policy (NEP). This is a monumental task, considering the University has seventy-four teaching and research departments and centres. We offer more than 140 postgraduate programs and around 30 undergraduate programs. In addition, there are 202 affiliated colleges, six constituent colleges, and four regional centres associated with Panjab University, all of which run courses designed by our faculty. I commend our faculty for doing a commendable job in framing the courses as per NEP guidelines, introducing new, innovative multidisciplinary and skill-enhancement courses to provide flexibility for students.

Our students have not only excelled academically but have also brought glory to the nation in sports. Panjab University has won the prestigious Maulana Abul Kalam Azad (MAKA) Trophy 15 times, including three consecutive wins. Our students, Manu Bhaker and Sarabjit Singh, have made us proud by winning bronze medals in the ongoing Summer Olympic Games in Paris. Panjab University remains committed to nation-building through its academically enriching, research-oriented, and socially inclusive efforts.

The rich legacy of this vibrant University is to live up to our University anthem of maintaining its shaan-o-shaukat ***TAMSO MA JYOTIRGAMAYA*** *(from darkness, lead me to light).*

BRIEF REPORT OF COLLOQUIM FROM JULY 2022 TO JUNE 2023

S. No.	Date and Time	Venue	Speaker	Title
1	18th April, 2023, 11:30 AM	Dr. S.S. Bhatnagar University Institute of Chemical Engineering & Technology	Prof. Lakhwinder Singh, Visiting Professor of Economics, Institute of Human Development, New Delhi, Editor of Millennial Asia: An International Journal of Asian Studies.	Indian Economic Development: Retrospect and Prospect

Eminent speaker Prof. Lakhwinder Singh Pointed out in his talk that Indian developing as a world power is more of a hype with ground reality far from it. He quoted economist Keun Lee (2017) that a transition from being a late comer to a rich economy remains possible if economy takes detours, files on a ballon and leap frogs into new technologies. The state needs to cross formal as well as informed sectoral barriers for economic transformation.

REPORTS OF THE DEPARTMENTS

ANCIENT INDIAN HISTORY, CULTURE & ARCHAEOLOGY

SUMMARY OF PUBLICATIONS

The Department was established in 1961. Since then it has been actively engaged in both teaching and research. We are running MA, Ph.D Course in the Department. Explorations and excavations are back bone of this discipline. The Department provides practical training to the budding archaeologists through field work. The main sites excavated by the Department are Sugh near Jagadhari, Mitathal in Hissar, Mahorana in Sangrur and Pallanpur in Roopnagar. The Department has an excellent collection of antiquities in the Museum both for teaching and research. Organizing Seminars and lectures on significant and emerging trends in the discipline is the rich tradition of the Department. The Department is committed to the vision of comprehending past with rationality, objectivity and critical perspective.

ECONOMICS

After the partition of the country, the teaching of Economics in this University was centred in Government College, Hoshiarpur under the guidance of Professor K. K. Dewett. The Department was shifted to the Chandigarh Campus in 1958 and it continues to be a leading centre of teaching, research and learning of economics in the region and has been awarded UGC Special Assistance Programme DRS-II. The Department has had the honour of having produced many well-known economists like Dr. Manmohan Singh (former Prime Minister of India), Late Dr. G.K. Chadha (former President of South Asian University, New Delhi and former Vice-Chancellor, Jawaharlal Nehru University, New Delhi). Many distinguished economists have served as faculty members in the past. Chair Professorships are vital for maintaining the highest quality faculty as they enrich the academic environment and create opportunities for academic collaboration, thereby attracting the brightest scholars from different parts of the country. In view of this, Panjab University offers following chair to the distinguished Indian economists: Prof. Yoginder K. Alagh (noted Economist and the Chancellor of the Central University of Gujarat) has been nominated as Chair Professor of Dr. Manmohan Singh Chair. A number of international students from Iran, Afghanistan, Thailand, etc. have been studying at both Under-graduate and Post- graduate levels, which reflects student diversity in the Department. The Department has Memorandum of Understanding (MOU) with the University of Wurzburg, Germany under which student exchange, faculty exchange and collaborative work is being undertaken.

GURU NANAK SIKH STUDIES

The Department of Guru Nanak Sikh Studies was initiated in 1970 in pursuance of a scheme of the Punjab Government and the University Grants Commission to set up Guru Nanak Chairs at some universities of India in commemoration of the Birth-Quincentenary of Sri Guru Nanak sahib. The Panjab University was the first to establish such a Department for the study and research of the various aspects of the life, works and teachings of Guru Nanak, in general; and of the Sikh religion, history, philosophy, culture, literature and religious thought in particular. The Department has a spacious new building and quality infrastructure, seminar hall for organizing Conferences, Seminars, Special/Extension Lectures, workshops and other activities. The Department is housed on the 1st floor of aesthetically built building named 'Guru Tegh Bahadur Bhawan'. Department has a Reference library well equipped with source books on Sikh Studies and also on Comparative Study of Religion. Separate section of this library has been earmarked at the top floor of Guru Tegh Bahadur Bhawan for keeping the rare old manuscripts of Guru Granth Sahib and Dasam Granth with respect and Sikh maryada. Since 2016 Department of Guru Nanak Sikh Studies is running a Post Graduate course in Comparative Study of Religion in a very successfully

manner. The Department has a long tradition of holding International/National Seminars, Conferences, Workshops and Special Lecture series programs on the key issues of the related study. The Department publishes its Refereed Research Journal titled 'Punjab Journal of Sikh Studies' annually which is available from the Department as well as from Publication Bureau of Panjab University, Chandigarh on sale. Various other academic and cultural activities are organized by the Department in association with other institutions. An educational tour of the Students and the researchers is also arranged every year for taking them to visit the historical and religious places. Around Eighty Research scholars have been awarded Ph. D degrees who are well settled on their jobs. Most of them are well known personalities, working in the diverse fields in India and abroad also. At present twelve students have been pursuing their Ph. D in the Department from which three students availing U.G.C Fellowship and two students availing University merit scholarship.

INTERDISCIPLINARY CENTRE FOR SWAMI VIVEKANANDA STUDIES

This Centre was established by the U.G.C. as a part of the IXth Plan to commemorate the epoch-making social thinkers of India in 2001 and in 2007 it was taken over by the Panjab University, Chandigarh. It is Interdisciplinary in nature thus it encourages faculty, researchers and students across disciplines to join research projects, Ph.D program and various courses run by the Centre. Faculty from all departments, Centres and affiliated colleges of the University participate in the seminars, symposium, workshops and lectures which are held on common themes of human values and concerns from time to time. The Centre collaborates with the organizations such as Ramakrishna Mission RKM, Vivekananda Kendra, Kanyakumari, Sri Ram Chandra Mission, Heartfullness Institute, Reader and Writers Society of India to take forward the mission of value education and character building. The Centre also conducts Self development program (SDP) in collaboration with Sri Ram Chandra Mission (SRCM) and Heartfullness Institute for students of the various departments of the University.

HISTORY

The teaching of History at Panjab University during its first three decades of existence (1882-1913) was in its colleges. The university at this time was merely an examining body with its entire library, the Vice Chancellor reported in 1903, occupying just two almirahs. Then in 1913 Ramsay Muir, the modern historian joined as a visiting lecturer to give instruction at the Panjab University to the advanced students from the colleges. In 1921 the first university professors were appointed as also a Dean University Instruction. In 1925 a much larger Honours school embracing the subjects of English, History, Philosophy and Economics was instituted but this could not take off due

to the complexity involved in coordination between the different subjects. Then in 1932 a distinct Honours school in History was begun with Professor J F Bruce at its head. Other subjects, Economics, English, Philosophy and Political Science too set up their separate Honours school which came to be known as 'departments'. Local historical archives were set up under the guidance of the department of History with Mr. H L O Garrett, the Keeper of Panjab Government Records being given the task of collecting and arranging the archives.

POLICE ADMINISTRATION

The Course on Police Administration was started in the Centre for Emerging Areas in Social Sciences, Panjab University from the Academic Session 2007-08 and was upgraded to the status of an independent Centre for Police Administration as part of the University Institute of Emerging Areas in Social Sciences (UIEASS) in 2010. The Programmes in Police Administration have been conceived with a view to: (i) provide quality human resources with relevant knowledge on Police issues; (ii) fulfill the ever increasing requirements of security agencies; (iii) undertake research on various aspects of Policing for generating knowledge and suggesting improvements to Police establishments; (iv) conduct Training Programmes for the Police Personnel to sensitize them about the recent developments and upgrade their skills for improving their productivity; and (v) act as a bridge between Police and people for improving the image of Police among the citizens

INDIAN THEATRE

The Department was set up in 1972 and has earned a place of pride on the National Theatre Scene during 52 years of its existence, on the Panjab University Campus. Theatre personalities from all over India and foreign countries have been visiting the Department for interaction with the faculty and students. The Department has produced more than 102 productions ranging from Classical to Modern, Traditional to Experimental plays. The Alumni of this Department have made their name at the highest level in the fields of Theatre, Academics, T.V., Films and other cultural organizations. Department offers merit scholarship to students. The Department has its own Library, A Balwant Gargi Open-air-Theatre and a Studio Theatre for overall training of the students, in the subject of theatre and directorial process. The Department also produces an Annual Production for an invited audience. The Course provides full training in the theoretical and practical aspects of theatre, Acting, Movement, Voice Speech, Singing, Improvisation, Theatre-games, Yoga, Mime, Text-study, Character-building, Stage-craft along with its chiseling of the Imagination. Plays from India and Western dramatic literature and the history of theatre are dealt with in considerable detail. Theory and practical lessons in Acting and Stage-craft that includes Make-up, Mask-making, Lighting, Set and costume designing are an important part of the training. The knowledge of regional theatre-forms and their creative application in the modern context is also emphasized.

CHINESE AND TIBETAN LANGUAGES

The Department of Chinese and Tibetan Languages was established in 1964 under the name of Central Asian Studies with the aim to provide the language assistance for the research work undertaken in the respective thrust areas. It was renamed as Department of Chinese and Tibetan Languages in 2003. The department organizes seminars, lectures in Chinese and Tibetan Languages. The faculty members participate actively in national and international seminars and conferences. Research guidance is also available in Chinese Studies, Tibetan Studies. Classes for all courses are held in

the afternoon/evening for the convenience of candidates doing some regular course or job. China and India are two ancient civilizations and two great powers. They are important neighbors. The economic relations between India and China are increasing. There is a greater need to understand China, its culture, literature, socio-economic-political system. Therefore, the learning of Chinese language is all the more necessary.

DAYANAND CHAIR FOR VEDIC STUDIES

The Department of Dayanand Chair for Vedic Studies was established in 1975. The aims and objects of the Chair include the research work on Vedas, Philosophy of Swami Dayanand and Vedic Interpretation of Dayanand. Contribution of Dayananda to Vedic Studies & Indian Philosophy is well known to the Sanskrit World. Research leading to Ph.D. degree is conducted. Published Research work by the faculty in the journals of Vedic Studies contributes to the academic growth of the knowledge concerning various Vedic Texts. There are two permanent positions in the faculty, one of a Professor and the other of a Assistant Professor. There is one tenure post of Research Fellow. At present Prof. Virendra Kumar Alankar is the Chairperson of the Department.

FRENCH & FRANCOPHONE STUDIES

After having shifted to Chandigarh in 1957 the Department of French & Francophone Studies has grown steadily, and is the most vibrant among foreign language departments. It is the only department among Indian universities in the North of Delhi which offers courses of all levels from Certificate to M.A and Ph.D. In an endeavor to keep pace with the changing times, and to participate in economic development, the course contents are revised and new components introduced from time to time. The infrastructure is continuously being upgraded and computers and projectors are also used in classrooms besides other audio-visual aids in foreign language teaching. New books are added every year to the department library 'Bibliothèque Michel Dèon' named after late Michel Dèon who was a renowned writer and member of Académie Française. The department arranges lectures by eminent scholars, encourages participation in extracurricular activities and organizes competitions under the aegis of the French Literary Society, of which all enrolled students become members. Many of our alumni have got placement in good multinational companies as well as in universities, colleges and schools in the country. The faculty participates regularly in national and international conferences to present papers and update skills.

GERMAN

The Department of German was established in 1960. It currently offers Certificate, Diploma and Advanced Diploma Courses in German. The Department imparts German language courses to students who come from various states in the northern region, i.e, from Panjab, Haryana, Himachal, J&K and Uttarakhand, and also students from abroad. The Department teaches German language using latest audio-visual aids, wi-fi internet and social media. Special lectures and seminars are conducted in collaboration with Goethe Zentrum, Chandigarh and Max Muller Bhavan, Goethe Institut, New Delhi. Various cultural activities are held by the Department, including those in collaboration with the Goethe Zentrum, Chandigarh. Students of the Department have received scholarships for pursuing higher German language courses in Germany. By providing translation & interpretation work through the CIIPP Cell of the University, the Department is actively providing support for the University's endeavor to serve the larger community. The faculty regularly attends seminars and workshops at national and international levels and upgrades its skills in teaching German as a foreign language (DaF).

SCHOOL OF PUNJABI STUDIES

School of Punjabi Studies: The School has the following five units 1. Department of Punjabi: The Department was established in 1948 at Amritsar. Later on, it was shifted to Panjab University in 1957. Its founder head Dr. Mohan Singh Diwana was eminent scholar of Persian, Sanskrit, Punjabi and oriental languages. Prof. Surinder Singh Kohli, Prof. Harnam Singh Shaan, Prof. Vishwa Nath Tiwari, Prof. Attar Singh, Dr. Balbir Singh Sandhu and Prof. Kesar Singh Kesar are the scholars of repute in Punjabi Literary world. This is a premier institution in the Northern-India. At present, all faculty members are well-known in their areas of specialization and research. In the past, many National and International level seminars, Extension Lectures and two World Punjabi Conferences were organized. At present, Prof. Sukhdev Singh, Prof. Yograj and Prof. Sarabjit Singh have their expertise in the study of Modern Punjabi poetry. Prof. Nahar Singh, Prof. Jagjit Singh and Prof. Joginder Singh Nehru (re-employed) have significantly contributed in the areas of Culture, Folklore, Fiction and linguistics. The Research Journal 'Parkh' ISSN 2320-9620 enlisted UGC care list published bi-annually. 2. Punjabi Lexicography Department: It was established in 1972. Initially, 'English-Punjabi Dictionary' was the project of Punjab Govt. Prof. Attar Singh was the former Chief Editor of this project. In 1980 above mentioned project was converted into the Department of Punjabi Lexicography. Dr. O.P. Vashishat has served as Head, at present Prof. Uma Sethi and Dr. Akwinder Kaur Tanvi have expertise in Lexical field. There are seven faculty members exist in the Department English-Punjabi dictionary published by Punjab State University Text Book Board in collaboration with Punjab University. For the compilation of this dictionary the pattern adopted from concise Oxford dictionary for English vocabulary and Webster's Third New International Dictionary as the model of the lexical data. At present two monolingual subject dictionaries (1) 'Punjabi Natak Alochana Shabdavali Kosh' is completed. Whereas 'Punjabi-English Bilingual Dictionary' and 'Kav Alochana Shabdavli Kosh' is likely to be printed. 3. Sheikh Baba Farid Chair: The Chair was established in 1976. The Chair is devoted primarily to the study of Medieval Punjabi Literature with emphasis on comparative studies with Medieval Northern Indian Literature especially Urdu and Hindi. The Chair organises seminars and symposia on comparative religions and Bhakti Literature. 4. Bhai Vir Singh Chair: The Chair organises, 'Meet Your Writers' series to provide opportunities to the students to understand the process of creativity. The Chair Organises Conferences, Symposia and Workshops for the teachers and the students of the University. A poet's from different Indian Languages Workshop is organised every year. 5. Shiv Kumar Batalvi Chair: This Chair is established on the name of eminent Punjabi poet Shiv Kumar Batalvi in 2018. In 2018, the Shiv Kumar Batalvi Professorship was

upgraded to Chair Professorship to promote research in the field of Modern, Contemporary Punjabi Poetry and criticism The Department is going to publish a special issue of Research Journal PARKH in 2022.

SANSKRIT

The Department was established at Punjab University, LAHORE. Some eminent scholars like Prof. A.C.Woolner and Dr. Luxman Saroop were associated with the Sanskrit Department. Dr. Luxman Saroop the great oriental scholar who had been awarded the Ph.D. Degree under the supervision of Prof. A. A. Macdonell from Oxford University. Soon after the partition, the Department of Sanskrit was located temporarily at the D.A.V. College, Jalandhar. Dr. Surya Kant, the University Reader in Sanskrit, acted as Head of the Department and was assisted in the teaching by Shri Jagan Nath Agrawal as Lecturer. The Post-graduate teaching in Sanskrit was conducted in collaboration with the Sanskrit Department of D.A.V. College, Jalandhar. The Department was shifted on February 12, 1952 from the premises of the D.A.V. College to Kothi Mahboob Alam (Jalandhar City), as evacuee property was acquired by the Panjab University on rent. On October 21, 1952 Dr. Surya Kant Joined the Banaras Hindu University as Professor of Sanskrit, on his departure Shri Jagan Nath Agrawal worked as Head of the Department. In July 1956, the Syndicate of the University had decided to shift the Department to Sadhu Ashram, Hoshiarpur to promote the language in collaboration with the V.V.R.I. but Dr. A.C.Joshi, after taking over the charge of Vice-Chancellor, disapproved this move, since he wanted to centralize all the post-graduate teaching Departments at Chandigarh and consequently, arrangements were made to shift the Department to Chandigarh and the Department started functioning on the University Campus with effect from July 14, 1959. At Chandigarh, Professor D.N.Shukla took charge of Head of the Department on November 16,1959. Dr. Ram Gopal joined the Department as Reader and Dr. Jai Dev Vidyalankar and Shri S.D Ojha joined as Lecturer at that time Dr. Ram Gopal, Dr. D.D. Sharma was appointed Lecturer in place of Shri S.D. Ojha and later Dr. D.D. Sharma promoted as Professor. The teaching activities of the Department were expanded by the introduction of new groups i.e. Epigraphy, Veda, Darshana, Sahitya and Vyakarana. Later on Dr. Ram Gopal, Dr. Ram Murti Sharma, Dr. Rama Kant Angiras, Dr. Anirudh Joshi, Dr. V.P.Upadhyaya, Dr. Dhan Raj Sharma, Dr. Vikram Kumar served the Department. In 1990 Dr. Shankarji Jha and Dr. Virendra Kumar Alankar joined the Department. Presently Dr. Virendra Kumar Alankar is running the department efficiently. The Department of Sanskrit has 68 seats in M.A. I and 68 seats in M.A. II & Presently 20 students are pursuing their Research in the department. Department has its own library for students and there are nearly 1500 books in the departmental library. There are four specializations in M.A. Classes. The Department has introduced 4 Vedic Astrology courses in the department from the session 2019-20. Sanskrit Department introduced a new Certificate Course in Upanishads and Gita from the 2020-21.

CHEMISTRY

The Department of Chemistry was founded by Dr. S. S. Bhatnagar at Lahore in 1925; the department of Chemistry is one of the prestigious departments of Panjab University. It has on its faculty highly qualified competent members whose work has been internationally recognized. Several faculty members are recipients of awards and honours, such as Shanti Swarup Bhatnagar, Jawaharlal Nehru fellowship, Raman and Palit awards. Many faculty members are bestowed with F.N.A., F.A.Sc., F.N.A.Sc., Young Scientist award as well as Visiting Professorship from India and abroad. The department has been selected by the UGC first for COSIST, and then for Special Assistant Programme (SAP) and now it is the Centre for Advanced Studies in Chemistry (CAS) for the last 16 years. This is in recognition of its accomplishments in research and education. The Department of Science and Technology (DST), Government of India has accorded it the status of " DST-FIST Supported Department". This department has stimulating undergraduate and postgraduate teaching programmes. Frequent symposia, summer institutes, refresher and orientation courses have been organized for the benefit of University, College and School teachers as well as talented students. The educational programme COSIP of this department has created a deep and extensive impact on the quality of chemistry education in the region. The department has good instrumental facilities such as high resolution 300 MHz NMR, FT-IR, UV-Visible Spectrophotometer, single-crystal X-ray diffraction unit, polarimeter, Photocorrelation Spectrometer, HPLC, polarograph, gas chromatograph, and good computer facilities for carrying out advanced research. The library of the chemistry department is perhaps one of the best libraries in the subject in Northern India. With its excellent collection of books, research journals and monographs, it occupies a special position of pride in the department. The facilities are often utilized by many Science Department of the Panjab University as well as other Universities, Industries and Institutes in the region. The department is well known for its research activities and has very well equipped research laboratories. The main areas of research include: Main Group Elements Chemistry, Coordination Chemistry, synthetic Inorganic Chemistry, Organometallic Chemistry, silicon Chemistry, Non-aqueous solution chemistry, Synthetic Organic Chemistry, Development of New reactions, Photochemistry, Nanochemistry Colloidal Chemistry (micelles and microemulsions), Thermodynamics of liquid mixtures as well as electrolyte solutions, Protein Chemistry and theoretical chemistry .

UNIVERSITY INSTITUTE OF FASHION TECHNOLOGY & VOCATIONAL DEVELOPMENT

University Institute of Fashion Technology and Vocational Development introduced a Five year Integrated Course in B. Sc. and M. Sc. in Fashion and Lifestyle Technology in July 2007. This course readies professionals for jobs in the Industry, Corporate, and Academia as also to start up a Private Enterprise or Venture. Rigorous training is imparted to the students in areas spanning over all aspects of the Fashion Industry. The pedagogy at University Institute of Fashion Technology and Vocational Development incorporates a nurturing environment which is a cohesive amalgamation of modern and conventional learning techniques. The methodology adopted gives inputs in core functional areas along with inter-disciplinary fields by problem solving methods. Fashion Journalism and Photography, Fashion Enterprise Management and Supply Chain, Quality Control, Cost and Logistics are some of the disciplines they are acquainted with during the course. The students are trained to be Fashion Illustrators, Designers, Pattern and Product Developers and are prepared to cater to the fast moving Fashion Industry in every way. Knowledge and Application of Textile and Computer Technology enable them to move with the flow of time. Students are given an opportunity to organize Fashion Shows and Exhibitions. They are exposed to In-House Training on state-of-art equipment and Industrial Experience, Research and Craft Surveys. The mode of instruction is highly student-centered and is through Projects, Seminars, Workshops, Educational Tours and Exhibitions. The evaluation system is a continuous assessment throughout the semester by way of assignments, projects, internships, and presentations. Their deep understanding and exposure in vast areas helps them fit into the Niche' Market as well as in the Mass Market of Fashion Makers. The aim is to incorporate Lifestyle Management in Professional and Personal life of every student and to provide the institution a continuous feedback on the performance and development of all the pass outs.

CENTRE FOR SYSTEM BIOLOGY & BIOINFORMATICS

The Centre of Systems Biology & Bioinformatics was established at Panjab University, Chandigarh in 2007. Systems Biology System biology is an emerging field that aims at system level understanding of biological systems. Identifying all the genes and proteins in an organism is like listing all parts of an aeroplane. Such a list provides a catalog of the individual components, but, by itself it is not sufficient to understand the complexities underlying the engineered project. But to understand how a particular system functions, one must first examine how the individual components dynamically interact during operation. Thus, it is essential to know the design principles, circuit patterns and how to improve system performance in terms of system structure, system dynamics, control method and design method. Thus, System Biology is an interdisciplinary subject and heavily depends on computational sciences, genomics, bioinformatics measurement technologies and integration of such discoveries with existing knowledge. It has applications in molecular biology, physiology and medicine. Bioinformatics The aim of bioinformatics specialization is to familiarize students with biological data, their storage and analysis. The aim of bioinformatics specialization is to familiarize students with biological data, their storage and analysis. In particular, students are expected to understand what information can be extracted from biological data (e.g., information related to phylogenetic tress, metabolic networks, protein structure and function, developmental process, genetic correlation of diseases etc.) and what techniques can be used for getting desired information. The students are trained for employment in system biology and bioinformatics sector of pharmaceutical and biotech industries and for entry in research programmes.

P.U. RURAL CENTRE, KAUNI, SRI MUKTSAR SAHIB

The Panjab University Rural Centre, Kauni is situated at a distance of 30 KMs from Malout, 60 KMs from Dabwali and Abohar, 55 KMs from Gidderbaha, 30 KMs from Jallalabad and 28 KMs from Guruharsahai. It is approachable by road and rail. The Panjab University Rural Centre, Kauni established at a remote village 'Kauni', Sri Muktsar Sahib is a brain-child of Professor R. C. Sobti, former Vice-Chancellor, Panjab University, Chandigarh. Since its inception in June 2010, the centre has been making its presence felt under the dynamic stewardship of Vice-Chancellor, Panjab University, Chandigarh. Panjab University Rural Centre, Kauni has been established on approximately 20 acres of lush green eco-friendly environment to provide a 'pristine-like' atmosphere for the education of the rural students. Although, it is a challenge in itself to raise the level of education of the students from rural area. P. U. Rural Centre has successfully risen to the challenge. The institution has a very highly qualified and experienced faculty. The infrastructure is excellent. The building is spacious and there are big and airy classrooms. A new multi-crore state-of-the-art building is under construction to meet future requirements in academics, research and co-curricular activities.

P.U. S.S. GIRI REGIONAL CENTRE, HOSHIARPUR

Panjab University, Chandigarh established a Regional Centre in the Kandi area of Punjab to cater the academic needs of the rural students of the region (in 2006). This campus was named as Panjab University Swami Sarvanand Giri Regional Centre, Hoshiarpur (Punjab) in the year 2011. Spread in picturesque environment near Shivalik foothills, the centre is a landmark donation of infrastructure spread in 10.86 acres of lush green area in the land of saints (Hoshiarpur) by Dr. Lajpat Rai Munger. The Centre was started with an aim to provide innovation and pre-eminence in the fields of Engineering and Research, conforming to the standards of Panjab University, Chandigarh. Presently the centre runs, University Institute of Engineering and Technology (UIET), Department of Computer Science and Applications (DCSA) and University Institute of Legal Studies (UILS).

CENTRE FOR SKILL DEVELOPMENT & ENTREPRENEURSHIP

The Centre for Skill Development & Entrepreneurship (CSDE) was set up in 2015 with a mandate to bridge skill gaps and nurture the entrepreneurial spirit. The Centre aims to promote the students' skill development, facilitate industry exposure of students/faculty, and inculcate among students the skill which can be the key to competitiveness in the corporate world.

VISION: Envision Panjab University as the ultimate in skill development and nurturing entrepreneurial skills.

MISSION: Ensure employability through industry development by developing necessary mechanisms to bridge skill gaps and fostering new startups.

OBJECTIVES:

1. To facilitate students' understanding of their latent skills.
2. To align the skill of students with the career of their choice.
3. To map the skill of the students with the changing paradigm of employment.
4. To promote industry linkage of faculty through joint workshops/visits.
5. To inculcate a spirit of entrepreneurship as well as to enhance creativity and innovation among students.
6. Provide mentorship and guidance to students through the Alumni Association.

The Computer Centre of Panjab University, a dedicated service unit, has successfully carried out a range of scheduled activities and services during the period from July 1, 2022, to June 30, 2023. The key accomplishments are listed below:

Web Server Operations: The Centre maintains its own web servers, hosting extensive information about the university. The website content was updated daily, with each academic and administrative department given the authority to manage their respective sections. The website hosts comprehensive information about various academic departments, library, hostels, courses, staff, faculty, students, research scholars, examination results, forms, telephone directory, reports, manual, policies etc.

Campus Network & Internet Services: The Centre ensured 24×7 Internet access for faculty, staff, officers, researchers, and students. The entire campus, including all academic departments, centres, administrative buildings, hostels, library, health centre, and guesthouses, isconnected via a Fiber network. The Centre facilitated Wide Area Connectivity through two wide area network links of 10 Gbps (NKN) and 1 Gbps (NME-ICT), providing Internet connection for over 4000 nodes and more than 16000 Wi-Fi users.

Email Services: The Centre provided secure in-house email services for all faculty, staff, research scholars, and postdoctoral fellows for official communication. These web mail services are accessible both within and outside the Panjab University network.

Wi-Fi Services: The Wi-Fi services in Sector 14 and Sector 25, werewell managed by the centre, providing coverage to academic and administrative blocks as well as guesthouses, hostels, and library.The Wi-Fi services were providedthrough the management of two Aruba 7240 mobility controllers. These controllers supported over 1200 indoor and outdoor access points installed at various locations, connected by OFC and UTP connectivity.

Online Meetings and Webinars: The Centre offered support and training for conducting webinars, online meetings, video-conferencing, and hybrid mode meetings.

G-Suite for Online Classes: G-Suite accounts were provided to faculty and staff for conducting online classes and other academic activities.

Webcast Services: The Centre deployed webcast services for university functions such as convocations, guest lectures, special lectures by distinguished dignitaries, and other events. Recordings of all past events are available at https://webcast.puchd.ac.in

Online Admissions: The Centre developed online portals for admissions to various UG, PG, and Professional Courses, facilitating the collection of student data online. In addition, websites were developed/maintained for inviting online application forms for various Entrance Tests conducted by the university.

Virtual Classroom: The Centre provided a Virtual Classroom facility, supported by NKN connectivity with direct link to IITs, NITs, and IISER.Video conferencing based on the H.323 protocol was also available using a public IP address.

Application Software Support: The Centre's staff supported the university administration by developing web applications and restructuring activities related to online fees, online admissions, telephone directory, complaints management system, hostel management system, online jobs portal for faculty recruitment etc.

Procurement Services: The Computer Centre assisted various departments in determining the specifications of various IT equipment.

The staff of the Computer Centre, committed to providing quality services,worked diligently towards maintaining and improving the digital infrastructure of the university.

INTERNAL QUALITYASSURANCE CELL (IQAC), ARUNA RANJIT CHANDRA HALL

Internal Quality Assurance Cell (IQAC) has been established at Panjab University with the mandate to ensure quality sustenance and enhancement measure across various systems and processes. IQAC submits data for Annual Quality Assurance Reports and Self-Study Report of Panjab University to NAAC. It also handles work of data submission to various National and International Ranking Agencies and survey related activities of data collection, compilation and transmission to various agencies like UGC, Ministry of Education etc. The data is collected online from various departments and regional centers with the help of Intranet software (Information Resource Portal) which has been developed In-house. The compiled information is processed for dissemination to various agencies. The portal is structured and designed so as to fulfil information requirements of various NAAC parameters and other ranking frameworks. This software has benefitted the university in terms of decreased time in quality data collection, analysis and compilation with increased efficiency, therefore facilitating administrative decision making.

The various rankings (National/International) of the university such as Times Higher Education ranking, QS Ranking, India Ranking (NIRF) etc. are also being handled by this cell. All India Survey of Higher Education (AISHE) project of Ministry of Education, through which the data of PU and its affiliated colleges is uploaded every year on the AISHE Portal is one of the key activities of this cell. **IQAC has brought laurels to the university. Score of 3.68/ out of 4, is the highest grade in NAAC fourth cycle** accreditation, a manifestation of the data capturing and presentation by IQAC.

IQAC has been making earnest efforts to facilitate:

- Developing a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the University;
- Promoting measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

ACTIVITIES/ACHIEVEMENTS

- Several meeting-cum-training sessions were conducted with chairpersons and mini-IQAC faculty incharge of Departments/ Centers so as to apprise them for NAAC data and supporting document requirements.
- Submitted Annual Quality Assurance Report (AQAR) for the year 2021-22.
- Submitted of Institutional Information for Quality Assessment report, Dec 2022.
- Submitted data for National Institutional Ranking Framework (NIRF) 2023. Panjab University has been Ranked 25th in the university category, 8th in Pharmacy category, 33rd in research category and 44th among Higher Educational Institutions in NIRF 2023 rankings

- Submitted data for Atal Ranking of Institutions on Innovation Achievements (ARIIA) 2022, University has been placed at band of 11-50 among all institutions.
- Submitted data of Panjab University in All India Survey of Higher Education (AISHE) 2021-22 as well as acted as nodal officer for the affiliated/constituent colleges.
- Submitted data for QS World University Rankings 2022 wherein PU has been ranked in band 1000-1200 globally
- IQAC has developed a decentralised approach wherein departmental IQAC cells have been provided technical support to compile data and facilitate decision making.
- IQAC team resolved issues being faced by the departments by visiting personally and telephonically and guided them how to complete their data and documents on the IRB portal.
- Submission of Self Study Report in March 2023, and providing DVV Clarification in April 2023.
- Panjab University has been Accredited with a CGPA of 3.68 on a four-point scale at A++ Grade; valid for a period of seven years from 12/08/2023.
- Submitted data for Times Higher Education World University Ranking 2023 wherein Panjab University has been ranked in the bracket of 601-800 globally

DEPARTMENT OF NSS

This year the NSS Department enrolled1100 Volunteers in Panjab University Campus. The Department is catering to the needs of the affiliated colleges of P.U. (Punjab and Chandigarh) having NSS Units.

Achievements:

- To mark the 75th Independence Day, Panjab University Girls Hostel, Sarojini Hall in association with NSS, PU organised an awareness rally on " Har Ghar Tiranga Theme" on 06/08/22. More than 60 NSS volunteers and hostel residents participated actively in the rally, sung patriotic song and raised high note slogans for "Har Ghar Tiranga". The rally started from Gandhi Bhawan and culminated on a very high note in Sarojini Hall lawns. The event organisers were Dr. Simran Preet, NSS PO and Warden, GH3, Dr. Vivek Kumar, NSS PO and Dr. Avneet Saini, Warden, WWH.

- Various competitions were organised at Panjab University, Chandigarh on 10th August 2022 under the joint aegis of National Service Scheme and University School of Open Learning. In these competitions, all the students participated in different activities on the theme of Har Ghar Tiranga. In which Priyanshu got first, Ridham Singh Randhawa got second, Amanpreet Kaur got third place in slogan writing competition. Apart from this, Rhythm Singh Randhawa stood first, Priyanka and Sanjay second and Palak Goyal third in poster making. In the same Rangoli competition, Diksha and Naman got first place. In this program, a street play was organized under the leadership of Hargobind Singh Randhawa on the theme of 'Har Ghar Tiranga', whose main objective was to awaken the feeling of patriotism among the citizens. Giving information, the coordinators of this program, Dr. Richa Sharma and Dr. Reena Chaudhary, said that very good performance was done by all the students in this program.

- Boys Hostel No. 3 organised a Flag Distribution Ceremony on 10.08.2022 at Boys's Hostel No. 3 under the aegis of Har Ghar Tiranga and Azadi ka Amrit Mahotsav in collaboration with Boys Hostel No. 1, 2, & Girls Hostel No. 3. Dr. A. N. Singh (Warden BH3, NSS Programme Officer), Deptt. of Botany, P.U. Chd., Dr. Rajeev Kumar, Warden BH1, Dr. Tilak Raj, (Warden BH2), Dr. SimranPreet, (Warden GH3, NSS Programme Officer) & Dr. Vivek Kumar, (NSS Programme Officer, Centre for Medical Physics, U.I.E.A. S.T.) were present in the ceremony and graced the occasion. Dr. Rajeev Kumar, Warden, BH-1 welcomed and introduced the wardens and staff to the large gathering of the audience present in the Common Room of the Boys Hostel No. 1. Dr. Anand Narain Singh Warden, Boys Hostel No. 3, sensitized the hostel residents and staff to bring the Tiranga home and to hoist it to mark the 75th year of India's independence under the aegis of Har Ghar Tiranga. Our relationship with the flag has always been more formal and institutional than personal. The idea behind the initiative was to invoke the feeling of patriotism in the people's hearts and promote awareness about the Indian National Flag. In this ceremony, National Flags were exchanged with each hostel, distributed to the residential areas, and encouraged the households to celebrate Azadi ka Amrit Mahotsav. Almost 120 persons from hostels and volunteers of NSS participated in this ceremony.

- NSS Girls and NSS Boys volunteers of Panjab University secured the Best Contingent Prize at State-Level Independence Day Parade on 15th August 2023 at Sector-17, Chandigarh. DIRECTOR, RESEARCH AND DEVELOPMENT CELL

Professor Harsh Nayyar, Director, Research & Development Cell

The National Education Policy (NEP) 2020 envisages the promotion of quality research within the Higher Education system. Research and innovation are important aspects to enhance quality education by the Higher Education Institutions (HEIs). Societal challenges of our country can only be addressed by having a strong and vibrant higher education ecosystem with an emphasis on research, innovation, and technology development. The integration of Research, Innovation and Technology Development is the foundation of Atma-Nirbhar Bharat (Self-reliant India). The establishment of Research and Development Cell (RDC) in Panjab University, Chandigarh is aimed at enabling the attainment of targets of Atma-Nirbhar Bharat and is expected to play a crucial role in catalysing multidisciplinary/ transdisciplinary and translational research culture mandated in NEP 2020.

Vision

To put in place a robust mechanism for developing and strengthening the research ecosystem within the University in consonance with the provisions of NEP-2020.

Mission

- To create a congenial ecosystem environment for enhanced research productivity.
- To promote collaboration across industry, government, community- based organizations, and agencies at the local, national, and international levels.
- To facilitate greater access to research through optimum utilization and mobilization of existing resources and funding.

Objectives

- To build an organizational/ intra-institutional structure with role-based functions of RDC, formulate Research Policy for the University, identify thrust areas of research, and form related cluster groups/ frontline teams/consortia of researchers.
- To help the University create Research Policies for recruitment of research personnel, procurement of equipment, and financial management with sufficient autonomy to the Principal Investigator(s) and propagate research outcomes to stakeholders and the public at large.
- To put in place policies to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stakeholders for cooperation and synergistic partnerships.
- To act as a mediator between researchers & relevant research funding agencies, provide guidance in preparation & submission of project proposals and post-sanctioning of the grants to supervise adherence to timelines.
- To create mechanism for coordination among other cells/centers dealing with University-Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights (IPR).

- To develop an Institutional Research Information System through IQAC for sharing the status of ongoing/ completed research projects/Programmes, expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.
- To engage & optimally utilize the services of superannuated active faculty/scientists in research capacity building of talented young minds and promote mobility of researchers across institutions and R&D Labs.
- To serve as nodal center for ideation and conceptualization of research topics/themes, across the disciplines, by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities including clearance of ethical committee wherever and whenever needed.

Functions

The establishment of the RDC would facilitate the creation of a research ecosystem for impactful and sustained research output. The essential elements of such an ecosystem, viz., generation of knowledge and facilitation of

research, innovation and technology development for industrial & societal benefits, are addressed by human resource (researcher & faculty), intellectual capital (knowledge & skills), governance (regulation & policies) and financial resources (funding & grants).

A Few significant tasks performed along with routing work are mentioned below;

- Monitored and Supervised while prepared and submitted a proposal for funding under PM-USHA Scheme-2023.
- Active participation in establishing regional S&T Cluster, PU –IIT Ropar Regional Accelerator for Holistic Innovations (PI–RAHI), by inviting applications for different administrative positions to work at the regional S&T Cluster, PU –IIT Ropar Regional Accelerator for Holistic Innovations (PI–RAHI). The cluster is established by the Office of the Principal Scientific Advisor (O/o PSA), Government of India, in Chandigarh and jointly led by the Panjab University and IIT Ropar. The focus areas of PI – RAHI are: (i) Agriculture & Food Processing, (ii) Indigenous Technology Development & Optimisation, (iii) Pharma/Healthcare & Medical Devices, (iv) Waste Management and Waste to Wealth (iv) Sustainable Mobility & Green Energy (v) HRD through skilling, re-skilling and up-skilling.
- Applications called for the post of DPIIT-IPR Chair Professor (Full time) at Panjab University, Chandigarh.
- Initiative taken for the Vice Chancellor's Awards for the Outstanding Faculty members and Vice-Chancellor's Awards for Ph.D Research Excellence (For current Research scholars enrolled in Ph.D. programs in various departments) for showcasing their outstanding research achievements.
- Panjab University Fellowship-2022 was awarded to the Ph.D candidates, who qualified Panjab University Ph.D. Entrance Test-2022.

The office of the Dean Student Welfare is situated in the heart of the University Campus – 'STUDENT CENTRE' – a four storeyed circular building – a monument symbolizing the birth place of modern, innovative & creative young minds' application to give shape to the developmental activities of the nation in general and University in particular.

The Deans Student Welfare and their able and mature team cater to the ever-growing aspirations of the Campus Students – be it Hostel residents' issues concerning accommodation, diet, physical fitness, recreational/cultural/social activities/talent shows/dramatic and literacy events, so as to encourage them to live like a big family, lending each other a helping hand when required, mutually cooperating to make hostel life a rich and rewarding experience or be it the issues relating to day-scholars of the Campus viz physical fitness, recreational/cultural/social activities/talent shows/dramatic/literary events and related activities. Likewise, the team of Deans Student Welfare is engaged in guiding and helping Panjab University Campus Students' Council in attaining their objectives viz, development of skills for effective future leadership roles and excelling in every sphere of life, managing the students discipline, converging of innovative ideas to channelise their energy properly and effectively for the set goals they have framed for themselves keeping in view the principles of harmonious growth, peace and amnesty. The P.U. Campus Students' Council comprising of four Office Bearers (President, Vice-President, Secretary, Joint Secretary), Executive Members and Departmental Representatives elected through a well-defined and approved process of elections is constituted sometime during September every year. During the year under reference the Elections to the Panjab University Campus Students' Council were held in a free, fair and cordial manner involving all eligible students of the Campus. The following were the Office Bearers:

Mr. Aayush Khatkar	President
Mr. Harshdeep S.Batth	Vice-President

HOSTEL ACTIVITIES

A Hostel is a home away from home. Aware of the special needs and requirements of students, who come from far-flung places to this centre of learning, the Panjab University provides them surrogate home.

There are Resident Halls for students on the campus, 8 for boys and 10 for girls, one Working Women Hostel and one International Hostel. These Halls, which accommodate about 6500 students, are named after eminent men and women, historical personalities who played an important role in shaping the destiny of the world and left footprints on the sands of time like Mehar Chand Mahajan, G.G. Chatterji, Shanti Swaroop Bhatnagar, Vallabh Bhai Patel, Lala Lajpat Rai, Justic Teja Singh Samundari, Swami Vivekanada, Baba Banda Singh Bahadur, Mata Gujri, Laxmi Bai, Sarojini Naidu, Kasturba Gandhi, Savitri Bai Phule, Mother Teresa, Bebe Nanki & Florence Nightingale, Amrita Pritam Hall.

Architecturally, the hostels are aesthetically laid out with plenty of open spaces and a lot of greenery. The rooms are comfortable, fitted with fan lights and hard furniture. Sometimes, as in the case of newcomers, rooms are allotted on sharing basis. Each wing of the hostel has several verandahs and balconies. Facilities like beauty parlours/saloons, Dry Cleaners, STD/FAX booths and tailoring/embroidery booths have been provided in all Hostels.

Creature comforts are important but they are not enough. Man is a social animal and needs to interact with others. The resident students are encouraged to participate in cultural and social activities. Colourful evenings of song and dance are not unusual on the Campus. Talent shows, dramatics and literary events are organised from time to time. The inmates of hostel are encouraged to live in harmony, like a big family, lending each other a helping hand when required, mutually cooperating to make hostel life a rich and fruitful experience.

There is no doubt that during these formative years in the hostels, life-long bonds are created and friendships cemented. This is a time, which will stand out in the memory as a golden period. University experience is an important milestone in an individual's life, the stepping-stone to an adult life of responsibility and care. The hostels of P.U. try and provide an ideal atmosphere for a healthy, all round development of personality and a launching pad for a glorious career ahead.

Living in a hostel presupposes the high degree of integrity, consciousness, cooperation and hard work for a bright future and good image of the Institute.

FUTURE BUSINESS SHARKS" ORGANISED BY GGSCW-26

The Aman Sandesh Times Network

Chandigarh: Post-Graduate Department of Commerce of Guru Gobind Singh College for Women, Sector 26, Chandigarh organised a "Future Business Sharks" event in collaboration with hitshullseye and TiE Chandigarh. The aim of conducting this event was to identify young budding talent and give them a platform to exhibit their knowledge and creativity, and mould them into future leaders. The experience was beneficial to the students in terms o their career prospects and will make them industry ready. A Quiz was also conducted based on case studies and critical thinking and winners were awarded prizes for the same. Principal, Dr Jatinder Kaur, lauded the efforts of the Commerce department in organising such events and motivated the students to perform to the best of their abilities. A total o 197 students participated in the event with great zeal and enthusiasm.
