MESSAGE

Panjab University, a masterpiece of urban architecture, planning and a temple of knowledge as well as learning, was established in Lahore in the year 1882 and has since been one of the most prominent and well-known Universities of India and Abroad. Traditionally and historically, it stands out in enhancing the human development of body, mind and soul through educating for academic excellence, skill excellence and excellence of the character of students and faculty. Our Vedic motto, "Tamso Ma Jyotirgamaya"-- "From darkness, lead me to light" supports a new mission and vision of moving together not in isolation towards unity and harmony in the community and bringing the light of wisdom as well as enlightment in the society.

Panjab University has been valued, appreciated and recognized as a hub of learning, knowledge as well as creative innovation by one and all throughout the country and abroad. As a renowned higher education institution which focuses on innovative classes, it aims to give students a grounding in the basics of academic research and essential human competencies such as self-awareness, self-control and empathy as well as art of listening, resolving conflicts through cooperation. Moreover, in an interconnected world our esteemed University had received around 4000 international students' applications further enhancing our global presence and reflecting our contribution in the field of academic, research and human rights etc. in the globalized, stable and sustainable community of intellectuals.

In the recent NIRF ranking Panjab University was ranked fifth among state universities. Additionally, the Centre for World University Ranking (CWUR) placed Panjab University among the top 4% of HEIs globally for 2024 edition. Panjab University was also ranked in the 601-800 bracket in the Times Higher Education Rankings 2025 and 269 in the QS World University Rankings 2025 for Asia which is an applaudable achievement.

In 2023, thirty-two of our esteemed faculty members were listed among the top 2% of scientists globally which is a matter of great pride. Our faculty members are involved in over 100 research projects. Moreover, Panjab University faculty and students have been granted 43 patents in the year 2023-24. The University Grants Commission (UGC) has also recognized Panjab University with Category-I (NAAC Grade A++) status under its regulations for graded autonomy.

National Education Policy (NEP) in India aims at providing human development by promoting more effective forms of gender-sensitive programmes, educational and vocational guidance and councelling, multi-disciplinary and flexible education as well as integration of science and technology and information technology to make young minds aware of its importance and relevance in the modern world. Over the past academic years Panjab University has made significant strides in implementing the above features in its educational programmes. This is a huge task, considering the University has seventy-four teaching and research departments as

well as centers. We offer more than 140 postgraduate programs and around 30 undergraduate programs. In addition, there are 202 affiliated colleges, six constituent colleges, and four regional centers associated with Panjab University, all of which run courses designed by our faculty. I appreciate our worthy faculty for doing a commendable job in framing the courses as per NEP guidelines, introducing new, innovative multidisciplinary and skill-enhancement courses to provide flexibility for students in their quest for greater achievements.

Our prestigious university has empowered our youth through encouraging human creativity and enhancing technological capacity as also by supporting in sports activities and the team building spirit among the students A very profound example of this is that we have won the prestigious Maulana Abul Kalam Azad (MAKA) Trophy 15 times, including three consecutive wins. Our distinguished alumni, Manu Bhaker and Sarabjit Singh have an illustrious career and have made us proud by winning bronze medal in Summer Olympic Games in Paris.

Thus, Panjab University remains committed to nation-building through its academically enriching, research-oriented and socially inclusive efforts for a more sustainable future for all.

"Education of character and values" is the key ingredient of the educational agenda of Panjab University with emphasis on developing a sustainable, flexible, reality-oriented approach to cover multi-dimensional interest.

I hope that the Annual Report 2023-24 will serve as a guide to students aspiring to achieve their dreams by gaining admission to the University's departments and academic centers, as well as its regional campuses. I wish everyone the best of luck in their academic pursuits and hope that all those associates with Panjab University will serve the nation with their sharp intellect and good human values.

(Renu Vig)

COLLOQUIA LECTURE SERIES

S. No.	Date and Time	Venue	Speaker	Title
1.	5th April, 2024-11:30 AM	Dr. S. S. Bhatnagar University Institute of Chemical Engineering & Technology	Prof. BalkrishnaVithalBhosale, University of Mumbai	Development and Politics in India

Prof. Bhosale discusses India's development and political landscape through different phases, from socialism to liberalization and post-liberalization, leading to the current discourse on becoming a developed economy. He emphasizes the interplay of economic policies and governance in shaping the nation's growth trajectory.

2.	19th February, 2024-11:30 AM	Dr. S. S. Bhatnagar University Institute of Chemical Engineering & Technology	Prof. SachidanandaMohanty, Former VC, University of Odisha	The Relevance of Sri Aurbindo Today

Prof.Mohanty's talk outlined Sri Aurobindo's futuristic vision for mankind.He chronicled the reasons, generally neglected, that explain the current crisis we face at the National and International level. The talk came up with some answers to overcome the crisis in human civilization that Sri Aurobindo underlined in his magnum opus The Life Divine.

3.	14th October, 2023-12:00 PM	Dr. S. S. Bhatnagar University Institute of Chemical Engineering & Technology	Prof Jatinder Kumar Bajaj, Director of the Centre for Policy Studies, Chennai and Delhi	The University and The Nation

Padma Shri Prof Bajaj, discussed about the expansion of education in India and also the role of universities in the nation building. He emphasized on how the universities can become the integral part of the fast evolving story of India by carrying out micro level research on the cultural and natural resources

4.	4th September, 2023-11:30 AM	Dr. S. S. Bhatnagar University Institute of Chemical Engineering & Technology	Prof. SantoshiHalder, University of Calcutta	Need For Educational Transformation: Why, What and How?

Renowned academician, Prof. Halder had churned the thought process related to the present education scenario and highlighted the need for this sector to reimagine and reinvent itself keeping in view the overall goals of creating a sustainable, inclusive and equitable society.

5.	22nd August, 2023-11:30 AM	Dr. S. S. Bhatnagar University Institute of Chemical Engineering & Technology	Dr.Atamjit Singh, National Sahitya Academy Winner	When Writing Plays Become Pilgrimage

Playwright Atamjit Singh delved into the lives of two of India’s unsung heroes, Makhan Singh who played an important role in the freedom struggle of Kenya and Diwan Singh Kalepani who selflessly served the people of Andaman and worked for their upliftment.

6.	26th July, 2023 - 11:30 AM	Dr. S. S. Bhatnagar University Institute of Chemical Engineering & Technology	WG CDR NamritaChandi (Retired) Helicopter Pilot, Indian Air Force.	Lessons Learnt in Uniform

Wg. Cmd. Chandiin her lecture shared about her experiences in Air Force which provided a perspective into another world. She also provided insights into the struggles and barriers she overcame As a woman in a male dominant sector

CHANDIGARH REGION INNOVATION AND KNOWLEDGE CLUSTER (CRIKC)

In the year July 2023 to June 2024, CRIKC continued its usual activities of organizing lectures/conferences/seminars as well as interaction with several organizations. A brief report on CRIKC activities is as follows.

- **July 31-August 01, 2023:** S-20/G-20 Outreach event on the theme "Science and Technology for Society" at Punjab Engineering College & Chitkara University Punjab.

Chitkara University, successfully hosted an impactful outreach event of S20/G20, centred around the theme "Science and Technology for Society." The event was attended by 1000 delegates from diverse backgrounds, including school children, college students, research scholars, and faculty members. The event aimed to foster dialogue and collaboration on pressing global challenges. With discussions spanning energy, healthcare, well-being, and the integration of science into society, the inquiry-based event showcased remarkable inclusivity, boasting nearly perfect gender parity among both attendees and speakers. The esteemed Chief Guest, Prof. Ashutosh Sharma, Institute Chair Professor, Indian Institute of Technology, Kanpur, and Chair of the S-20 India Working Group, graced the occasion, inspiring participants with his expertise and insights. Divided into breakout sessions tailored to different audiences, the event catered to the interests and needs of all participants. For school students, the theme "Clean Energy for a Better Future" encouraged discussions on sustainable solutions. College students participated in "Creating Impact in a Science-Driven World: Start-up Stories," where inspirational entrepreneurs shared their success stories. Meanwhile, scholars and faculty members explored the nuances of "Academic Research vs. Industrial Research," fostering collaboration between academia and industry.

The G20/S20 Outreach Event at Chitkara University was a resounding success, showcasing the institution's commitment to advancing the frontiers of science and technology for the betterment of society. The vibrant exchange of ideas and the spirit of inclusivity demonstrated the potential for collective action to address global challenges.

A G20/S20 outreach event was organized at Punjab Engineering College (Deemed to be University) on 1st August 2023. The theme for the event was Science, Technology and Society. The event had a propitious beginning with the floral welcome of guests by Prof. Baldev Setia, Director, PEC which was followed by the lighting of ceremonial lamp by Prof. Baldev Setia and the honourable guests. He emphasized on the changing of focus from Science, Technology, Engineering, and Mathematics (STEM) to Science, Technology, Engineering, Arts and Mathematics (STEAM). In his address the director spoke about the strong foundation of PEC which has completed its 102 years of existence. Then Prof. Ashutosh Sharma, S20 Co-Chair and former DST Secretary while addressing the audience emphasized on science for society and the objectives behind the S20. The S20 is an Engagement Group (EG), vertical of G20, comprising the scientific academies of all G20 countries. He talked about the importance of sustainable development and said that S20 is a shared responsibility of many stakeholders, institutions, PSUs and common people. The next session in the series was by Shri Nek Ram Sharma, Padma Shree Awardee. He mainly focused on organic farming and nature conservation. The session concluded with the distribution of best poster awards and a mesmerizing cultural event by the PEC students. At the end, Prof. Arun K Singh expressed his gratitude towards the guests, participants and the organizing committee.

- **September 05, 2023:** CRIKC celebrated Teacher's Day series-III: "Expository Lectures by Decorated Teachers-Scientists from Chandigarh region" in 'Amrut Kaal (2023-47)' at biotechnology department, PU.

A new series of lectures -- Expository Lectures by Decorated Teachers-Scientists from Chandigarh Region in Amrut Kaal (2023-47) -- was launched today, to mark the Teachers' Day, by the Society for Promotion of Science & Technology in India (SPSTI). This is the 3rd lecture series to commemorate 75 years of Indian independence, Azadi Ka Amrut Mahotsav. The just concluded series, "Visions of Institutions in North-West India in run up to India@100

in 2047", has been bringing together esteemed academicians and intellectuals to discuss the future of education and innovation.

SPSTI organized the event in association with the Chandigarh Chapters of the National Academy of Sciences, India (NASI), Indian National Young Academy of Sciences (INYAS), and the Indian National Science Academy (INSA), along with CRIKC (Chandigarh Regional Innovation & Knowledge Cluster) and Forum of Retired Vice Chancellors & Directors (FRVCD).

The first lecture in the series, ChatGPT in Teaching and Research, was held today, at the Panjab University, at the Department of Biotechnology, featuring Prof. Rajat Sandhir, a distinguished teacher and noted biochemist, working at Panjab University, as the speaker. Several esteemed personalities graced the occasion.

Prof. Arun K. Grover, Vice-President of SPSTI, delivered the opening remarks, setting the tone for the day's discussions. Prof. Jai Rup Singh, Founder Vice Chancellor, Central University of Punjab & Former -VC, GNDU Amritsar, was the Guest of Honour. He shared his valuable insights during his address, impressing upon the audience that ChatGPT is a unique tool being propagated nowadays. He set the ball rolling by demonstrating how Chat GPT can cater to anything under the sun, even the proceedings of this event.

The lecture garnered considerable attention from the audience and an intense discussion took place afterwards, with many inputs from audience on the Zoom platform. Shri Dharam Vir, IAS (Rtd.), President of SPSTI, delivered the Vote of Thanks, expressing gratitude to all for making the event successful and enriching.

- **October 05, 2023:** CRIKC Igniting Young Minds organized Teacher's Orientation Workshop for 31st National Children's Science Congress-2023 at Rajiv Gandhi College Bhawan, Panjab University.

मां को खिड़की साफ करने में दिक्कत हो रही थी तो बना डाला ऑटोमेटिक वाइपर

पीयू के प्रोफेसर की पहल से सरकारी स्कूल के बच्चे वैज्ञानिक तरीके से ढूंढ रहे घर-बाहर की परेशानियों का हल

प्रियंका ठाकुर

चंडीगढ़। मां को कभी खिड़कियों को साफ करने में होती परेशानी देख जीएमएसएसएस-27 के 11वीं के विद्यार्थी मोहम्मद मोहम्मद आकिब ने ऑटोमेटिक वाइपर का मॉडल बना डाला। आकिब की तरह शहर के 11 स्कूलों से 55 बच्चों ने अपने घर और आस-पास की समस्याओं को देखा और वैज्ञानिक दृष्टि से उनके समाधान ढूंढकर रोचक मॉडल तैयार किए। इंस्पायर मानक अवार्ड के लिए ये मॉडल इन बच्चों ने महज 17 दिन में बनाए।

शिक्षकों, उपकरणों और फंड की कमी में अक्सर सरकारी स्कूल के बच्चे अन्य गतिविधियों में आगे आने से रह जाते हैं। हालांकि शिक्षा मंत्रालय, साइंस एंड टेक्नोलॉजी विभाग से बच्चों के विकास के लिए कई तरह की प्रदर्शनी और प्रतियोगिताएं आयोजित की जाती हैं। स्कूलों में वैज्ञानिक सोच की कमी को महसूस करते हुए पीयू प्रो. गौरव वर्मा ने दिसंबर 2022 में एक प्रायोजट प्रोजेक्ट शुरू किया था।

प्रोजेक्ट के तहत उन्होंने जीएमएसएसएस-22 के चार बच्चों को राष्ट्रीय प्रतियोगिता इंस्पायर मानक अवॉर्ड के लिए तैयार किया, जिन्हें डी को 10 हजार रुपये की इनामी राशि मिली। परिणामस्वरूप सत्र 2023 में प्रो. जसप्रीत कौर, प्रो. राजेश और प्रो. गौरव सप्रा के सहयोग क्रिक (चंडीगढ़ रीजन इनोवेशन एंड नॉलिज क्लस्टर) के अंतर्गत शिक्षा विभाग के साथ मिलकर इग्नाइटिंग यंग माइंड्स प्रोग्राम शुरू किया। इस प्रोग्राम में स्वयंसेवक बने 32 पीएचडी स्कॉलर और इनाक के विद्यार्थियों ने छठी से लेकर 12वीं के 55 बच्चों की इंस्पायर मानक अवॉर्ड और अन्य की नेशनल चिल्ड्रन साइंस कांग्रेस की तैयारी करवाई।

प्रोग्राम के तहत चयनित 10 स्कूलों को फंड भी मिले हैं। जागरण

लाइट पाइंट पर नहीं रुकेगी एंबुलेंस

जीएमएसएसएस-27 के विद्यार्थी मोहम्मद आकिब ने 10 इंच डुअल साइडेड मेग्नेटिक विंडो क्लास क्लीनर का मॉडल तैयार किया है। विंडो क्लीनर में गोलाकार वाइपर की शीट बनाई है, जिसके बीच में शीशे को साफ किया जा सकेगा। विंडो क्लीनर में मोटर के प्रयोग से उसे ऑन ऑफ किया जा सकता है जिसमें वाइपर की शीट ग्लास के साथ शीशा साफ करेगी। जीएमएसएसएस-27 के ही आठवीं छात्र शिव ने पर्यावरण के अनुकूल एक चार्टर रॉकेट बनाया है। गैस उत्सर्जन से पर्यावरण पर विपरीत प्रभाव पड़ता है। ऐसे में शिव ने रॉकेट लॉन्च के लिए पानी से पर्यावरण अनुकूल प्रोपल्शन तकनीक विकसित की है। विद्यार्थी ने साइकिल पंप से बोतल में अधिक हवा भरी जिसके प्रेशर से बोतल के ऊपरी हिस्से में लगे रॉकेट का लॉन्च किया। इसके अलावा जीएमएसएसएस-22 की छात्रा रितु ने एंबुलेंस को ट्रैफिक लाइट पर न रुकना पड़े इसके लिए इमरजेंसी ग्रीन लाइट सिस्टम का विकास किया है। इसमें ट्रैफिक लाइट में नीली लाइट जोड़ी गई जो एंबुलेंस की आवाज डिटेक्ट कर ऑन होगी, जिससे उसे जाने के लिए रास्ता क्लीयर होगा।

बच्चों में आत्मविश्वास बढ़ाना मकसद

प्रोग्राम का उद्देश्य बच्चों के आत्मविश्वास को बढ़ाना है और समस्याओं के प्रति समाधान प्रमुख सोच का विकास करना है। जहां बच्चों की रिसर्च स्कॉलर की मेंटरशिप मिल रही है वहीं पीयू विद्यार्थियों को बच्चों से नए आइडिया और समाज की समस्याओं के बारे में जानने को मिल रहा है। दोनों मिलकर कल के भारत के लिए एक बेहतर इकोसिस्टम बना रहे हैं। -प्रो. गौरव वर्मा, इंग्नाइटिड यंग माइंडस

बच्चों के पास कई इनोवेटिव आइडिया

बच्चों को जब मॉडल बनाने के लिए समस्याओं के आधार पर मॉडल लाने के लिए कहा तो किसी ने एंबुलेंस का रास्ता आसान करने का आइडिया दिया तो किसी ने कहा पापा को ईंट उठाते समय दिक्कत होती है, उनके लिए क्या कर सकता हूं। बच्चों के पास ढेर सारे आइडिया हैं जरूरत है तो बस उनकी क्षमता को सही दिशा में लगाने की। - अक्षप्रीत कौर, पीएचडी स्कॉलर, यूआइईटी डीआईसी लैब

राष्ट्रीय प्रतियोगिताओं की तैयारी करने में मिली मदद

बच्चों में प्रैक्टिकल तरीके बढ़ाने के लिए हम शेर के प्रोफेशनल संसाधनों का सहयोग चाहते थे और क्रिक से हमारे बच्चों को साइंस प्रोजेक्ट और अन्य राष्ट्रीय स्तर की प्रतियोगिताओं की तैयारी करने में सहायता मिली है। शिक्षा मंत्रालय द्वारा भी इस प्रयोजन को लेकर पॉलिसि रिस्पॉन्स मिला जिसके तहत प्रोग्राम के लिए फंड भी मिले हैं। - हरसिंदर पाल सिंह बराड़, स्कूल शिक्षा निदेशक

Teacher's Orientation Workshop for National Children Science Congress (NCSC)' was organized by The Environment Society of India (nodal agency for NCSC) jointly with CRIKC-Igniting Young Minds, a Panjab University initiative to nurture scientific culture at school level. The event witnessed participation of more than 250 School Teachers from Government and Private schools of Chandigarh (UT) region.

The Chief Guests for the workshop were Ms. Ravinder Kaur (Deputy Director, Department of School Education and Deputy State Project Director, Samagra Shiksha, Chandigarh) and Dr Manjit Kaur (Mission coordinator, Samagra

Shiksha under Directorate of School Education). Prof. Gaurav Verma (Coordinator CRIKC) and Ms Mohinder Kaur (Councillor, MC Chandigarh) graced the occasion. The dignitaries highlighted the need for unlearning and adopting innovative methods and newer technologies for tackling local problems in order to equip the young minds for the future. They appreciated the collaboration amongst institutions of learning for sharing of resources, expertise and infrastructure and commended the efforts of the Panjab University's initiative; CRIKC-Igniting Young Minds for providing need based solutions to specific problems of government schools of Chandigarh specifically mentoring them for National level Science competitions.

The event commenced with a welcome address by Shri Hem Raj Satija (Vice President, ESI). The workshop witnessed enlightening talks on the Focal theme of the forthcoming Children's Science Congress 'Understanding Ecosystem for Health and Well-being' specifically on NCSC Guidelines by Sh. Paramjeet Singh (State Academic Coordinator, ESI), NCSC Focal theme and Sub themes by Dr Jaspreet Kaur (In charge CRIKC Igniting Young Minds, Botany Dept., Panjab University, Chandigarh), and Crafting an Innovative Research Proposal by Gaurav Sapra, (UIET, Panjab University, Chandigarh)

Nearly 30 student volunteers of CRIKC-Igniting Young Mind, were felicitated for their selfless contribution towards the mentoring of school students for National level Science competitions. The event ended with a Vote of Thanks by Sh. N.K. Jhingan (Secretary, ESI & State Coordinator NCSC).

- **October 12-14, 2023:** CRIKC organized National Conference on "Global Science for Global Wellbeing" 16th CHASCON at Law Auditorium, PU.

The Chandigarh Science Congress (CHASCON) is an academic event, organised every year since 2007 by Panjab University in collaboration with the Chandigarh Region Innovation and Knowledge Cluster (CRIKC). Slated to be held this year from October 12 - 14, 2023, 16th CHASCON has acquired a national character and will be attended by academicians and researchers from all over the country. Focussing on the theme "Global Science for Global

Wellbeing" the Congress hopes to take forward the deliberations of the National Science Day, 2023 and manifest the spirit of Vasudhaiva Kutumbakam (the world is one family), the essence of Indian philosophy and the theme of G20 Indian Presidency. It's a proud moment for Panjab University to organise CHASCON 2023 in association with CRIKC institutes at this time when the whole country is upbeat about its Lunar and Solar missions and is celebrating the stupendously successful G-20 presidentship. G-20 summit has elicited many scientific challenges regarding climate, energy, pollution, one health. CHASCON 2023 will be an engaging event for academicians to deliberate on these challenges. ICMR, is the keynote speaker. The Guest of Honour is Dr Vivek Lal, Director PGIMER, Chandigarh. His major areas of interest are Headache and Neuro-Ophthalmology and has done pioneering work in the identification and discovery of Ophthalmologic Migraine in India.

In the afternoon session on 12th October, Nano-materials and their use in sustainable agriculture and health care will be covered by Prof Neeraj Dilbagi from GJU Hisar and Frugal scientific endeavours for societal benefit will be another interesting talk by Dr Samrat Ghosh from IISER Mohali. Planning and policies to address climate change issues at the state and National level will be talked about by ED of PSC for S&T Dr Jatinder Arora.

Day two is dedicated to the sectional activities that will be held in the respective departments. There will be invited talks by eminent subject matter experts and oral and poster presentations by research scholars and UG, PG students.

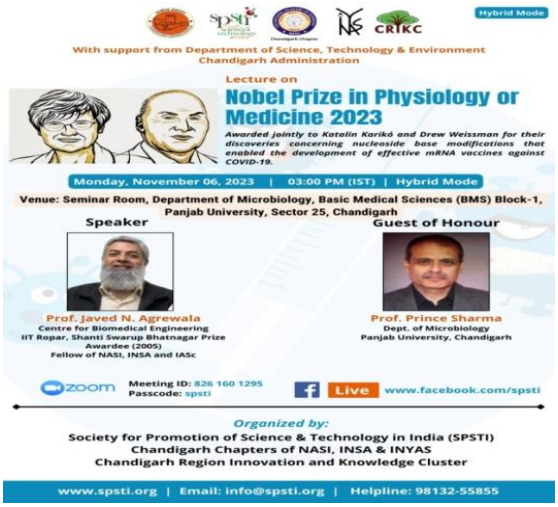
On day three, a not-to-be-missed session is reserved for the invigorating and motivating talks by the start-Up enablers and entrepreneurs who are running their highly successful Start-Ups. Innovator Ki Kahani -Start-up Success Story –will be an interactive panel discussion.

At this time, when the Start-Ups and Innovations are on the priority agenda of Govt., this session will be an opportunity for research scholars and UG/PG students to interact and take cues for their futuristic endeavours. CHASCON 2023 has a special session for young minds to showcase their ideas and research in Shodh Samvad and the best ones, selected by experts, will be given opportunity to record their innovation at the Panjab University radio station Jyotirgamya and will be awarded cash prize.

October 14 being the foundation Day of Panjab University, there will be a special lecture by Padma Shri Awardee Dr Jatinder Kumar Bajaj, Director of the centre for policy studies, Chennai and Delhi. He will speak on "The University and The Nation".

We firmly believe that CHASCON 2023 will be an engrossing scientific event that will be igniting the minds and where there is lot to interact and learn to shape the futures.

- **November 06, 2023:** CRIKC organized a Lecture on "Nobel Prize in Physiology or Medicine 2023" by Prof. Javed N. Agrewala at Department of Microbology (BMS) Block1, Panjab University.



The Nobel committee recently announced that the Prize in Physiology or Medicine for the year 2023 is to be jointly awarded to **Katalin Karikó and Drew Weissman** "for their discoveries concerning nucleoside base modifications that enabled the development of effective **mRNA vaccines against COVID-19".** The Nobel Assembly at Karolinska Institute has today decided to award the 2023 Nobel Prize in Physiology or Medicine.The discoveries by the two Nobel Laureates were critical for developing effective mRNA vaccines against COVID-19 during the pandemic that began in early 2020. Through their ground breaking findings, which have fundamentally changed our understanding of how mRNA interacts with our immune system, the laureates contributed to the unprecedented rate of vaccine development during one of the greatest threats to human health in modern times.

The Society for Promotion of Science & Technology in India (SPSTI) with support from Department of Science and Technology, Chandigarh Administration and in association with Chandigarh Chapters of National Academy of Sciences India, INSA & INYAS, Chandigarh Region Innovation and Knowledge Cluster (CRIKC) organized a webinar on the topic on November 06,2023, Monday. The days before the prizes are ceremoniously awarded in Stockholm. The lecture was delivered by Prof. Javed N. Agrewala, Centre for Biomedical Engineering IIT Ropar. Prof. Prince Sharma, Dept. of Microbiology Panjab University. The lecture was followed by a lively discussion in which many academic luminaries, including those from Panjab University and PGI participated. The lecture was attended by Zoom and many others through live streams of the Society. The concluding remarks were made by Shri Dharam Vir, IAS (Retd.) and former Chief Secretary of Haryana and President of SPSTI.

- **November 20, 2023:** CRIKC organized an Expoitary Talk on "The Nobel Prize in Literature for 2023 has been awarded to the Norwegian author Jon Fosse, "for his innovative plays and prose which give voice to the unsay able" by Prof. Pushpinder Syal at Mulk Raj Anand Auditorium, Department of English & Cultural Studies, Panjab University.

The Society for Promotion of Science and Technology in India organised a lecture on "Nobel Prize in Literature 2023", which was awarded to Norwegian writer Jon Fosse. His works include the Septology series of novels, Aliss at the Fire, Melancholy and A Shining. "His huge oeuvre, spanning a variety of genres, comprises about 40 plays and a wealth of novels, poetry collections, essays, children's books and translations," said Anders Olsson, chairman of the Nobel committee for literature. "Fosse blends a rootedness in the language and nature of his Norwegian background with artistic techniques in the wake of modernism." His fiction is incantatory, mystical, and rooted in the landscape of the western fjords where he grew up," Testard added. "It's very important to remember that he writes in Nynorsk or New Norwegian, a minority language in Norway, a political act in itself. He's also an exceptional playwright and poet. He's an incredible mind, and it couldn't have happened to a nicer person.

The lecture was held in collaboration with the NASI, INSA and INYAS, the Chandigarh Region Innovation and Knowledge Cluster (CRIKC) and the literary society of the Department of English and Cultural Studies, Panjab University. The lecture was delivered by Pushpinder Syal, a former professor of the department.

Prof Syal talked about the Nordic cultural background of Fosse, and how it influenced his style. Apart from thematic concerns like oscillating between the material and the spiritual, the formal structure of his writings was discussed. His use of the Norwegian dialect was drawn particular attention to, which showed the rising importance of regional literature.

- **November 23-24, 2023**: CRIKC organized a National Conference CHASSCONG-2023 on "Sustainable Development: Dimensions & Discourse" at P.L. Anand Auditorium, Dept. Of Evening Studies, PU.

The inaugural session of CHASSCONG 2023 was held today at the Panjab University (PU), with dignitaries from diverse disciplines deliberating on multiple dimensions of sustainability. The theme of the two-day conference was 'Sustainable Development: Dimensions & Discourse'. Indian Institute of Sustainable Development Director General Dr Srikanta K Panigrahi dwelt on the three pillars of sustainability — social, economic and environmental — in her address. He further delved into the indicators of social sustainability, such as inequality, poverty and hunger.

The event will be graced by Prof. V.K. Malhotra, chairman, Food Commission of Madhya Pradesh as Chief Guest. Dr. Srikant K. Panigrahi, Director General, Indian Institute of Sustainable Development, New Delhi and Prof. Nalini Ranganathan, Pondicherry University will be the Guests of Honour for the occasion.

The session will be hosted on 23rd November 2023 at P.L. Anand Auditorium, Dept of Evening Studies at 10.30 am. Prof. Renu Vig, Vice Chancellor, Panjab University would deliver the inaugural address and Prof. Rumina Sethi, DUI, Panjab University and Director, CHASSCONG 2023 would also address the participants. The two day event will bring together researchers from across the region and country with dedicated paper presentation sessions in each Department and a Valedictory session on 24th November 2023.

- **December 18, 2023:** CRIKC organized a Lecture on "The Nobel Prize in Chemistry for 2023 by Dr. Nishima Wangoo at Seminar Hall, Department of Physics, Panjab University.

- **January 21, 2024:** CRIKC organized acommemorate the birth anniversary of Dr. Shanti Swarup Bhatnagar at Bhatnagar Auditorium, Dr SSBUICET PU.

The 130th anniversary of the birth of Dr. Shanti Swarup Bhatnagar, an alumnus of Panjab University (PU), was commemorated today at the Dr. SS Bhatnagar University Institute of Chemical Engineering and Technology (SSB UICET), Panjab University, Chandigarh. The occasion served as a tribute to Dr. Bhatnagar's remarkable contributions to the realms of science and technology. Renowned as a luminary in the scientific world, Dr. Bhatnagar was more than just a scientist; he was a guiding force, mentor, and a visionary committed to advancing scientific knowledge. His groundwork laid the foundation for institutions like the Council of Scientific and Industrial Research (CSIR), University Grants Commission (UGC), and, consequently, the present-day Dr. SSB University Institute of Chemical Engineering & Technology.

On this occasion, our guest of honour Dr. Girish Sahni Former Director General, CSIR, Former Director CSIR-IMTECH and Sh. Snjay Arora General Manager (Marketing) GAIL (India) Ltd. DCET Alumni (1987 Batch) delivered an oration lecture.

Renowned Scientist Prof Mohsen Rahmani,Nano- technology optics & Photonics leader of the Advanced optics & Photonic (AOP) Lab. Nottingham Trent University (NTU) UK gave a delivered an exhaustive talk on "Metasurfaces: the building blocks of tommorrow's optical technologies" and Dr. Ashwani Kumar CSIR-Institute of Microbal Technology,chandigargh also delivered an exhaustive talk on "Microbacterial Biofilms: A new understanding paves the way towards shorter treatment of tuberculosis". This programme has been organized in association with the Indian Innovation Council (IIC), Ministry of HRD, India, Chandigarh chapters of National academy of Sciences, India (NASI), INYAS Indian national youth academy of Science, SPSTI, and CRIKC-Chandigarh Region Innovation and Knowledge Cluster.

- **March 16, 2024:** CRIKC organized a Lecture on "Waste to Wealth: Harnessing Sustainable Solution in Plastic Recycling" by Nikesh Jain Regional Manager Sales Shubham Extrusion and Jay Bhatt Project Manager Prasad Group at Bhatnagar Auditorium, Dr SSBUICET PU.

- **March 26-28, 2024:** CRIKC organized a Festival of Science at DAV College Sector 10, Chandigarh.

Festival of Science held at DAV Sec-10, Chandigarh saw the students of Gurukul Global School, Sec-13, Chandigarh winning the top positions in the School Category Exhibition. The exhibition saw a huge participation from the school & college students of the tricity.

The school students clinched the Ist & 2nd positions in the exhibit category. The project included a Multipurpose Drone & a Robo Car. Both of these can work together as well as separately.

• प्रोजेक्ट के बारे में-220 किमी प्रति घंटे की रफ्तार से उड़ने वाला ऐसा ड्रोन तैयार किया जो डिफेंस और रेसिंग फर्पज के लिए काम आएगा। यह ड्रोन वहां जाकर काम करेगा जहां इंसान नहीं पहुंच सकते यानी उच्च परिशुद्धता फार्मों, रिफाईनरी फर्पज और जेल के दौरान मॉनिटरिंग के लिए यूज किया जा सकता है।

• प्रद्युम्न प्रसन्ना और तेमत सागर

• क्लास और इंस्टीट्यूट- 10वीं क्लास, गुरुकुल गतेबल स्कूल-13
• प्रोजेक्ट के बारे में-जर्विस ऑटोपायलट आईओटी यानी इंटरनेट ऑफ थिंग्स बेस्ड प्रोजेक्ट है। इसे मिनिएचर ड्रोन उन खतरनाक इलाकों में जहां इंसान नहीं पहुंच सकते या अज्ञात खेतों में यूज किया जा सकता है। यह रेमोर्ट कॉमर्स कंट्रोल एप के जरिए बोलने वाले की कमांड को समझ कर काम करेगा।

• आर्यन आर्य और अर्णव गुप्ता

• क्लास और इंस्टीट्यूट- 10वीं क्लास, गुरुकुल गतेबल स्कूल-13
• प्रोजेक्ट के बारे में- मल्टीरोर ड्रोन और रोबोकेट तैयार की है। वह दोनों एक साथ भी काम कर सकते हैं और अलग-अलग भी। ड्रोन को बता करें तो यह तीन किलो तक का वजन उठा सकता है और पानी से भी टेकऑफ और लैंड कर सकता है। स्पीड 200-500 किलो/घंटा है और यह 15 हजार फीट तक की उड़ान भर सकता है। इसे डिफेंस सेक्टर में इस्तेमाल किया जा सकता है।

• हिमांशु और आदित्य

• क्लास और इंस्टीट्यूट- 10वीं क्लास, जेएनवी चास-49
• प्रोजेक्ट के बारे में- हिमांशु और आदित्य ने एक ऐसा रेलवे सेफ्टी सिस्टम तैयार किया गया है जो सेंसर्स के साथ काम करेगा। ट्रेन आने पर बिना सीनवार की मदद से ऑटोमेटिक सेंसर्स की मदद से बंद हो जाएगी और इसी तरह जब ट्रेन चली जाएगी तो क्रॉसिंग खुल जाएगी।

Robotics Club is a Special feature of the school where programs are held to provide hands-on learning in science, technology, engineering & mathematics (STEM). Students are being prepared for future challenges in a dynamic, evolving & a competitive world. Many robotic activities are done during & after school hours to motivate students in the field.

April 20, 2024: CRIKC organized a RABMC-2024, It is a National Symposium being organized by the eight Premier Institutes of the Chandigarh Region and aims to bring together the eminent researchers as well as budding minds working in the fields of Bioorganic and Medicinal Chemistry at Department of Chemistry Panjab University, Chandigarh. REPORTS OF THE DEPARTMENTS

ANCIENT INDIAN HISTORY, CULTURE & ARCHAEOLOGY

The Department of Ancient Indian History Culture and Archaeology was established in 1961 and has been actively engaged in teaching and research. It provides knowledge of Archaeology, Paleography, Epigraphy, Numismatic and related fields to postgraduate students and research scholars. The Department conducts fieldwork, including excavations, and has a rich collection of antiquities. It organizes seminars and lectures, and is committed to understanding the past with rationality and objectivity. The Department has had many eminent scholars as faculty members, contributing to the advancement of Indological studies. The department aims to provide a profound understanding of Ancient Indian History from the Prehistoric to the Early Medieval period, through diverse sources including texts, inscriptions, coins, art, and architecture. Students acquire hands-on training in excavation, site documentation, and museum techniques, enabling real-world application of academic knowledge. They are taught to Interpret and analyze ancient Indian culture, religion, philosophy, art, and socio-economic institutions in historical contexts. The department aims to build competencies for academic research, civil services, museum curation, heritage tourism, and cultural policy planning. In sum, approach India's ancient past with analytical rigor and ethical responsibility, promoting historical objectivity and cultural sensitivity is the prime focus of the department.

DEFENCE AND NATIONAL SECURITY STUDIES

Established in 2001, the department offers Master's course in Defence & Strategic Studies including research degree programmes. The admission in Master's course is open to all the students from various streams, but subject weightage is given to the applicants who have studied Defence Studies/Military Science at graduation level. The department also offers M.Phil course in Defence & Strategic Studies to the defence service officers. The course which was offered to serving Defence officers posted at HQ Army Training Command, Shimla and its 29 training establishments has also been extended to serving Defence officers at Higher command Course, Army War College, Mhow after signing a MoU with the University. Additionally, the department runs two One-Year P.G. Diploma Courses i.e. Post Graduate Diploma in Disaster Management & Security and Homeland Security. In pursuant to the academic recommendation of the expert committee set up by MHRD and later UGC expert committee constituted thereafter in 2013, department was adjudged as one of the best departments. The Department/University was recommended for financial assistance besides proposal for upgradation. The department holds special lectures including Seminars & Conferences to provide additional exposure to the students. The department also has a Defence Studies Society, which organizes various activities including educational trips/tours to Defence establishments in the country.

DEPARTMENT CUM CENTRE FOR WOMEN STUDIES & DEVELOPMENT

The Department-cum-Centre for Women's Studies and Development, established in 1987 under the UGC with Prof. Pam Rajput as its founding director, is a pioneering institution in feminist scholarship. Upgraded to a full-fledged department in 2009, it aims to challenge gender inequalities through teaching, research, advocacy, and extension work. It offers M.A. and Ph.D. programmes with interdisciplinary curricula focused on both theory and practical skills. The Department promotes gender justice, empowers students, and serves as a regional resource centre. With inclusive enrollment and strong alumni placement, it remains committed to transforming society through academic excellence and feminist engagement.

Achievement

The Department-cum- Centre, through its teaching programme not only sensitises the students to gender issues and attempts to ensure a commitment to the empowerment of women, it also provides training in various skills through its curricula. The emphasis is on Practical skill training in Project formulation, designing, monitoring, budget formulation and analysis as well as on research training normally given in Research degree courses such as M.Phil. Most significantly, the course is multidisciplinary, which stands the students in good stead in any field of activity which they may decide to pursue, viz. development studies, law, human rights or any other.

ECONOMICS

After the partition of the country, the teaching of Economics in this University was centred in Government College, Hoshiarpur under the guidance of Professor K. K. Dewett. The Department was shifted to the Chandigarh Campus in 1958 and it continues to be a leading centre of teaching, research and learning of economics in the region and has been awarded UGC Special Assistance Programme DRS-II. The Department has had the honour of having produced many well-known economists like Dr. Manmohan Singh (former Prime Minister of India), Late Dr. G.K. Chadha (former President of South Asian University, New Delhi and former Vice-Chancellor, Jawaharlal Nehru University, New Delhi). Many distinguished economists have served as faculty members in the past. Chair Professorships are vital for maintaining the highest quality faculty as they enrich the academic environment and create opportunities for academic collaboration, thereby attracting the brightest scholars from different parts of the country. In view of this, Panjab University offers following chair to the distinguished Indian economists: Prof. Yoginder K. Alagh (noted Economist and the Chancellor of the Central University of Gujarat) has been nominated as Chair Professor of Dr. Manmohan Singh Chair. A number of international students from Iran, Afghanistan, Thailand, etc. have been studying at both

Under-graduate and Post- graduate levels, which reflects student diversity in the Department. The Department has Memorandum of Understanding (MOU) with the University of Wurzburg, Germany under which student exchange, faculty exchange and collaborative work is being undertaken.

GEOGRAPHY

Department Overview and Achievements Since its inception in 1960, our Department has carved a niche in academia with its comprehensive suite of postgraduate programs in Geography, Geoinformatics, and Disaster Management. Recognized for its excellence in teaching, research, and training, the Department offers supervision up to the Ph.D. level. A testament to its outstanding contributions, the University Grants Commission designated our Department as a Centre of Advanced Study from 2009 to 2020. As the headquarters of the Association of Population Geographers of India, the Department publishes "Population Geography," the premier and only journal dedicated to this theme in the country, and it is proudly listed in the UGC Care index. Academic Programs and Research Focus Our three Master's programs Geography, Geoinformatics and Disaster Management provide interdisciplinary learning opportunities. The Department has pioneered efforts to address societal needs and prepare students and researchers to contribute to n

GURU NANAK SIKH STUDIES

The Department of Guru Nanak Sikh Studies was initiated in 1970 in commemoration of the Birth-Quincentenary of Sri Guru Nanak Dev Ji. Panjab University was the first University to establish such a Department which is focused on the study and research of the various aspects of history, philosophy, culture, literature and religious thought of the Sikh religion in context of the other Indian religions, in general and the life, works and teachings of Guru Nanak Dev Ji in particular. Presently, the Department is housed on the 1st floor of the aesthetically built building named 'Guru Tegh Bahadur Bhawan', having spacious edifice, well equipped infrastructure including a Reference library with source material on Sikh Studies and Comparative Study of Religions, a seminar hall for organizing Conferences, Seminars, Special/Extension Lectures, workshops and other activities. A separate section of the building has been earmarked at the top floor where the rare and old manuscripts of Guru Granth Sahib and Dasam Granth are placed with required eternal regards and Sikh Maryada. The department is also running a Post Graduate teaching programme in the subject of Comparative Study of Religion since 2016. Consequently, besides having a long tradition of organizing International/National Seminars, Conferences, Workshops and Special Lecture series on Sikh studies, the department has further started to hold various programs on the key issues related with the Indian Knowledge tradition and systematic study of world religions. A Refereed Research Journal entitled 'Punjab Journal of Sikh Studies' is being published annually by the department to boost the research activities in the region. The journal remains available for readers from the Department as well as from Publication Bureau of Panjab University, Chandigarh on a very reasonable price. No. of such another academic and cultural activities are also a routine feature of the Department which are being organized in association with other Departments of the University or another Institutions. Educational tours of the Students and the researchers for visiting the historical and religious places across India are also arranged time to time. This kind of proactive and research friendly atmosphere of the Department always attracts good students and researchers to be a part of it. Currently, thirteen researchers are pursuing their Ph.D programme in the Department from which one and two researchers are availing J.R.F. & S.R.F (U.G.C Fellowship respectively) and University merit scholarship. Around eighty research scholars have already got Ph. D degrees and are settled in the various academic institutions and research centers. Some of our alumni are well known personalities and have earned a good name in the different fields in India and abroad.

INTERDISCIPLINARY CENTRE FOR SWAMI VIVEKANANDA STUDIES

This Centre was established by the U.G.C. as a part of the IXth Plan to commemorate the epoch-making social thinkers of India in 2001 and in 2007 it was taken over by the Panjab University, Chandigarh. It is Interdisciplinary in nature thus it encourages faculty, researchers and students across disciplines to join research projects, Ph.D program and various courses run by the Centre. Faculty from all departments, Centres and affiliated colleges of the University participate in the seminars, symposium, workshops and lectures which are held on common themes of human values and concerns from time to time. The Centre collaborates with the organizations such as Ramakrishna Mission RKM, Vivekananda Kendra, Kanyakumari, Sri Ram Chandra Mission, Heartfullness Institute, Reader and Writers Society of India to take forward the mission of value education and character building. The Centre also conducts Self development program (SDP) in collaboration with Sri Ram Chandra Mission (SRCM) and Heartfullness Institute for students of the various departments of the University.

HISTORY

The Department of History at Panjab University, rooted in the university's early years since 1882, formally took shape in 1932 under Professor J.F. Bruce. After Partition, it relocated to Chandigarh in 1956 and now offers M.A., M.Phil., and Ph.D. programs with a strong focus on the North-Western region of India and neighboring countries. The department promotes interdisciplinary learning and has a distinguished faculty, including noted historians like B.N. Goswamy and J.S. Grewal. With over 90 books, 550 papers, and 60 academic events, its contributions to Indian historiography and its successful alumni highlight its enduring academic legacy.

P.U. INSTITUTE OF SOCIAL SCIENCE EDUCATION & RESEARCH

PU-ISSER was established in 2015 with the vision to cultivate sentient young minds who contribute positively to society. The mission of the department is to expose the young minds to multiple social science disciplines and to help them cultivate fresh perspectives on the role they can play in nation building; and to foster critical thinking among students to make them future-ready. Special lectures by eminent scholars are envisioned as part of this programme. The programme envisages a focus on logical reasoning, use of classical texts and development of writing skills to analyse and present evidence, through tutorials. The Honours School Framework programme in social sciences intends to train students to become reflective and critical thinkers, independent learners and specially equipped in interdisciplinary skills for social analysis and research. It will prepare them with a strong foundation for teaching and research opportunities, competitive examinations and employment in civil society, government and the corporate sector. The four year honours programme introduced at PU-ISSER from 2023 onwards intends to provide additional perspectives to comprehend the significant issues of the region, nation and the world today. Our endeavour is to mould the students who join the department into remarkable young men and women who would be leaders in the field they may choose to go into, and who will usher in changes for a new, progressive tomorrow.

SOCIOLOGY

The Department of Sociology, located in Arts Block-IV on the Panjab University Campus was established in 1960. It has the distinction of being one of the leading centers of teaching and research in the northwest region. The Department gained immense prominence under the able guidance and leadership of renowned sociologists, especially Prof. Victor S. D.Souza, who made a distinguished place in national and international academic circles not only for himself but for the department too. The Department after successfully completing four phases of 'Special Assistance Programme' in March 2006, was upgraded as "Centre for Advanced Studies" (CAS) by University Grants Commission, New Delhi. The department earned this rare distinction in recognition of its concerted efforts in areas such as intellectual environment encompassing both teachers & students, reminiscent interaction between faculty & students, collaboration with other teaching departments, government and nongovernment organizations apart from research institutes, infrastructural development and futuristic vision. The Department offers teaching and research programs for M.A., and Ph.D. levels. The Department of Sociology has a very long tradition for regularly holding Regional, National and International seminars, workshops and symposia. The 'Wednesday Seminar' has been the hallmark of the Department bringing together scholars, professionals and social activists interested in sociologically relevant issues as initiators of the deliberations, which are widely attended by faculty and students from different departments apart from eminent specialists in various fields.

SCHOOL OF COMMUNICATION STUDIES

The School of Communication Studies at Panjab University was set up in 1941 at the University of Punjab, Lahore. The founding father of the School was Professor PP Singh who studied journalism in the University of Missouri, Columbia, USA. This makes the School of Communication Studies, the pioneer in journalism education in India. Presently, as per the Times Higher Education World University Rankings released on 5th September 2017, Under the Category Communication and Media Studies, SCS stand at 2nd position in India. The School of Communication Studies has been awarded with the prestigious Chanakya award, for the ' Business Communication School of the Year (National) 2011-2012', by the Global Conclave of Public Relations Council of India and Indy's award for Excellence in Mass Communication in the year 2013 by the Stars of the Industry Awards. Our faculty members have Research Fellowship, Projects, International Fellowship and International Best Research paper award to their credit and continue to act as consultants and trainers beyond the classroom. They are editors and serve as members of the editorial boards in Research Journals of repute. The part-time/visiting faculty of the School comprises of eminent, veteran and award-winning reporters, columnists, authors, magazine editors, documentary filmmakers, and digital media specialists. The School prepares the students to perform a vital and challenging function of searching for the truth in complicated situations, usually under a time constraint, and communicating it in a clear, engaging manner to the public through our Print Journalism course. It also prepares the students in other professional fields of Media Management, Advertising, Online Communication, Public Relations and Graphic Design. In addition, the School educates scholars of Communications and Journalism, and functions as a significant guiding force in Journalism and inculcates in students the habit of thinking of themselves as leaders for change and improvement in the profession. The School strives to adapt to changes in the profession, to respond to new developments in the way news is delivered and to prepare students to work in different environments. The coursework and syllabi are regularly updated to be in tune with the latest industry trends. In over 70 years the school has produced alumni who work not only in traditional journalism careers as reporters, editors and broadcasters, but also are public relations executives, media entrepreneurs, advertising professionals, web publishers and journalism educators. 91.2 MHz, Jyotirgamaya, the CRS (Community Radio Station) of the Panjab University is being run by the School of Communication Studies. It was inaugurated on 13th February, 2011 and is acting as a unifying agent amongst the university faculty, students and also the community. The station proudly offers four broadcasts a day that include a total of nine programs running for over 10 hours. The CRS is recipient of a DST grant to run its special programme on Science for Women Health and Nutrition. The Public

Relations Council of India awarded the special programme Hamari Beti' run by PU CRS.The PU Radio has collaborated with BBC Media Action Group and UNICEF to produce a programme for adolescents called, ' Full On Nikki'.The programmes of Radio Jyotirgamaya can be heard for 10 kms radius. An Educational Multimedia Research Centre (EMMRC) and a PU Centre for Media Studies (PUCMS) are on their way to be set up in the School of Communication Studies with the purpose of outreach activities**.**

CENTRE FOR SOCIAL WORK

Social Sciences have moved from pure theoretical accumulation of knowledge towards its application, especially with an aim to minimize human misery and to promote the project of human development by developing appropriate strategies at the grass-roots level. Social Work is one such discipline that has evolved out of such a realization within the realm of social sciences that caters to the socially marginalized, poor, deprived and the disadvantaged groups through the experts trained for this purpose. Imparting training in Social Work has also been necessitated by the growing need for partnerships between the State, Civil society and private voluntary organizations in an effort to bring all sections of society under the ambit of development. The Panjab University started the Master of Social Work (M.S.W.) degree programme (2 years, 4 Semesters) in 2007. It combines education and practice for preparing the postgraduates to work with individuals, families, groups, and communities in a variety of human service settings. The M.S.W. programme intends to instill in its students, a commitment to improve social conditions, address social problems and raise their voice against social injustice. The Centre is housed in the building of Emerging Areas, near Student Centre and behind the Department of Botany, Panjab University, Chandigarh. There is a dress code for the formal functions and field work forms a mandatory part of the programme.

CENTRE FOR HUMAN RIGHTS & DUTIES

The Centre imparts human rights education as an independent and integrated social science discipline. It is dedicated to build empathetic, vigilant and responsible students. Its inception dates back to 2007, as a Master's Degree Course in human rights. It was upgraded into an independent Centre in 2010 and value addition of Ph. D course curriculum was also made. The Centre also facilitates the opportunities for the Post-Doctoral fellowship.

INDIAN THEATRE

The Department was set up in 1972 and has earned a place of pride on the National Theatre Scene during 45 years of its existence, on the Panjab University Campus. Theatre personalities from all over India and foreign countries have been visiting the Department for interaction with the faculty and students. The Department has produced more than 102 productions ranging from Classical to Modern, Traditional to Experimental plays. The Alumni of this Department have made their name at the highest level in the fields of Theatre, T.V., Films and other cultural organizations. Department offers merit scholarship to students. The Department has its own Library, A Balwant Gargi Open-air-Theatre and a Studio Theatre for overall training of the students, in the subject of theatre and directorial process. The Department also produces an Annual Production for an invited audience. The Course provides full training in the theoretical and practical aspects of theatre, Acting, Movement, Voice Speech, Singing, Improvisation, Theatre-games, Yoga, Mime, Text-study, Character-building, Stage-craft along with its chiseling of the Imagination. Plays from India and Western dramatic literature and the history of theatre are dealt with in considerable detail. Theory and practical lessons in Stage-craft that includes Make-up, Mask-making, Lighting, Set and costume designing are an important part of the training. The knowledge of regional theatre-forms and their creative application in the modern context is emphasized.

COMMUNITY EDUCATION & DISABILITY STUDIES

For the overall development of the society, it is important to understand the issues pertaining to the development of the community and the individuals, specifically. In order to understand the dynamics of community life, theoretically and practically, it trains the students to develop skills and competence for catering to the learning needs of the students so that they could contribute to the overall development of the society. The Department was established in the year 2007. It offers Master's course in Community Education and Development. Ph.D. (Community Education and Development), B.Ed. Special Education (Learning Disability). Highlights the objectives of Programs: To produce new knowledge in the area of special education and community education by the involvement of Faculty Members and Research Scholars. To enable the students to understand the issues pertaining to community development at the national as well as at the global level. To make the students aware about the different facets of community life, theoretically, as well as practically. Imparting training and building human resources which is the need of the hour for the overall development of the society by having partnership with state, civil society and NGOs etc. To produce Special Education teachers for children with special needs for various settings (Inclusive, Special, Open School and Home Based Education). To enable the students to acquire knowledge & skills about human development, contemporary Indian education, and pedagogy of various school subjects and assessment for learning. To enrich students with knowledge & skills about nature and educational needs of children with disabilities as well as of specific disabilities. To enable students about conceptual understanding of educational provisions mentioned in NEP 2020 for children with various disabilities in Special and inclusive settings.

PHYSICAL EDUCATION

The department of Physical Education was started in the year of 1963 with M.A. Physical Education. The Department has emerged as one of the premier centers of Physical Education in India. It has acquired a prominent status in the country and has earned several distinctions during its existence. The department offers B.P.Ed. (Two Year), M.P.Ed. (Two Year), Doctoral Programmes and has highly qualified faculty. In line with the University Mission, the Department has the aim of educating and producing quality teachers to serve as administrators in the profession of physical education and sports. By improving our academic programmes and services to the University and local community, we pledge to continually strive for academic excellence and to maintain our leadership role in our profession.

UNIVERSITY CENTRE OF INSTRUMENTATION AND MICRO-ELECTRONICS

SAIF, formerly known as RSIC at Panjab University Chandigarh was incepted in the earlier years of the 6th plan. The complete facilities of USIC, CIL, SAIF and RSIC are working in unison in the service of research and also for imparting practical training to the students through workshops.CIL/RISC/USIC The Centre also undertakes the design, fabrication and repair of electronic instruments required by students and teachers from the University and the colleges around. It also runs training programmes in technical skills for the benefit of scientific community and associated laboratory staff from different institutions.

CHINESE AND TIBETAN LANGUAGES

The Department of Chinese and Tibetan Languages was established in 1964 under the name of Central Asian Studies with the aim to provide the language assistance for the research work undertaken in the respective thrust areas. It was renamed as Department of Chinese and Tibetan Languages in 2003. The department organizes seminars, lectures in Chinese and Tibetan Languages. The faculty members participate actively in national and international seminars and conferences. Research guidance is also available in Chinese Studies and Tibetan Studies. Classes for all courses are held in in the afternoon/evening for the convenience of candidates doing some regular course or job. China and India are two ancient civilizations and two great powers. They are important neighbours. the economic relations between India and China are increasing. There is a greater need to understand China, its culture, literature, socio-economic-political system. Therefore, the learning of Chinese language is all the more necessary.

FRENCH & FRANCOPHONE STUDIES

After having shifted to Chandigarh in 1957 the Department of French & Francophone Studies has grown steadily, and is the most vibrant among foreign language departments. It is the only department among Indian universities in the North of Delhi which offers courses of all levels from Certificate to M.A and Ph.D. In an endeavor to keep pace with the changing times, and to participate in economic development, the course contents are revised and new components introduced from time to time. The infrastructure is continuously being upgraded and computers and projectors are also used in classrooms besides other audio-visual aids in foreign language teaching. New books are added every year to the department library 'Bibliothèque Michel Dèon' named after late Michel Dèon who was a renowned writer and member of Académie Française. The department arranges lectures by eminent scholars, encourages participation in extracurricular activities and organizes competitions under the aegis of the French Literary Society, of which all enrolled students become members. Many of our alumni have got placement in good multinational companies as well as in universities, colleges and schools in the country. The faculty participates regularly in national and international conferences to present papers and update skills.

HINDI

The Department of Hindi was established in 1938. It is one of the oldest Hindi Department in the Country. During early late Sixties, the Legendary Scholar, Acharya Hazari Prasad Dwivedi joined the Department as the Head. Since then, the Department has undoubtedly been major center of Hindi Studies in the country. The department provided good infrastructure, including computerization and Departmental Library for students and researchers. The Department has contributed towards research in Hindi literature through the works of Acharya Hazari Prasad Dwivedi, Dr. Ganpati Chander Gupt, Dr. Ramesh Kuntal Megh, Dr. Indernath Madan, Dr. Dharam Pal Maini, its great teachers. The Department has been publishing a leading National journal of Research namely, 'Parishodh' (ISSN 2347-6648). Well-known Hindi writers such as Mohan Rakesh, Ravinder Kalia, Dr. Ganga Prasad Vimal, Dr. Virendra Mehendiratta, Dr. Paresh, and Dr. Atul Vir Arora have been among its students. The PU Anthem has also been penned by Dr. Irshad Kamil, famous lyricist and alumnus of the department.

SCHOOL OF PUNJABI STUDIES

School of Punjabi Studies: The School has the following five units 1. Department of Punjabi: The Department was established in 1948 at Amritsar. Later on, it was shifted to Panjab University in 1957. Its founder head Dr. Mohan Singh Diwana was eminent scholar of Persian, Sanskrit, Punjabi and oriental languages. Prof. Surinder Singh Kohli, Prof. Harnam Singh Shaan, Prof. Vishwa Nath Tiwari, Prof. Attar Singh, Dr. Balbir Singh Sandhu and Prof. Kesar Singh Kesar are the scholars of repute in Punjabi Literary world. This is a premier institution in the Northern-India. At present, all faculty members are well-known in their areas of specialization and research. In the past, many National and International level seminars , Extension Lectures and two World Punjabi Conferences were organized. At present, Prof. Sukhdev Singh, Prof. Yograj and Prof. Sarabjit Singh have their expertise in the study of Modern Punjabi poetry. Prof. Nahar Singh, Prof. Jagjit Singh and Prof. Joginder Singh Nehru (re-employed) have significantly contributed in the areas of Culture, Folklore, Fiction and linguistics. The Research Journal 'Parkh' ISSN 2320-9620 enlisted UGC care list published bi-annually. 2. Punjabi Lexicography Department: It was established in 1972. Initially, 'English-Punjabi Dictionary' was the project of Punjab Govt. Prof. Attar Singh was the former Chief Editor of this project. In 1980 above mentioned project was converted into the Department of Punjabi Lexicography. Dr. O.P. Vashishat has served as Head, at present Prof. Uma Sethi and Dr. Akwinder Kaur Tanvi have expertise in Lexical field. There are seven faculty members exist in the Department English-Punjabi dictionary published by

Punjab State University Text Book Board in collaboration with Punjab University. For the compilation of this dictionary the pattern adopted from concise Oxford dictionary for English vocabulary and Webster's Third New International Dictionary as the model of the lexical data. At present two monolingual subject dictionaries (1) 'Punjabi Natak Alochana Shabdavali Kosh' is completed. Whereas 'Punjabi-English Bilingual Dictionary' and 'Kav Alochana Shabdavli Kosh' is likely to be printed. 3. Sheikh Baba Farid Chair: The Chair was established in 1976. The Chair is devoted primarily to the study of Medieval Punjabi Literature with emphasis on comparative studies with Medieval Northern Indian Literature especially Urdu and Hindi. The Chair organises seminars and symposia on comparative religions and Bhakti Literature. 4. Bhai Vir Singh Chair: The Chair organises, 'Meet Your Writers' series to provide opportunities to the students to understand the process of creativity. The Chair Organises Conferences, Symposia and Workshops for the teachers and the students of the University . A poet's from different Indian Languages Workshop is organised every year . 5. Shiv Kumar Batalvi Chair: This Chair is established on the name of eminent Punjabi poet Shiv Kumar Batalvi in 2018. In 2018, the Shiv Kumar Batalvi Professorship was upgraded to Chair Professorship to promote research in the field of Modern , Contemporary Punjabi Poetry and criticism

SANSKRIT

The Department was established at Punjab University, LAHORE. Some eminent scholars like Prof. A.C.Woolner and Dr. Luxman Saroop were associated with the Sanskrit Department. Soon after the partition, the Department of Sanskrit was located temporarily at the D.A.V. College, Jalandhar. Dr. Surya Kant, the University Reader in Sanskrit, acted as Head of the Department and was assisted in the teaching by Shri Jagan Nath Agrawal as Lecturer. The Post-graduate teaching in Sanskrit was conducted in collaboration with the Sanskrit Department of D.A.V. College, Jalandhar. The Department was shifted on February 12, 1952 from the premises of the D.A.V. College to Kothi Mahboob Alam (Jalandhar City), as evacuee property was acquired by Panjab University on rent. On October 21, 1952 Shri Jagan Nath Agrawal worked as Head of the Department. In July 1956, the Syndicate of University decided to shift the Department to Sadhu Ashram, Hoshiarpur to promote the language in collaboration with the V.V.R.I. but Dr. A.C.Joshi, after taking over the charge as Vice-Chancellor, disapproved this move, since he wanted to centralize all the post-graduate teaching Departments at Chandigarh and consequently, arrangements were made to shift the Department to Chandigarh and started functioning on University Campus w.e.f. July 14, 1959. Prof. D.N. Shukla took charge of Head of the Department on November 16, 1959. During his service at Panjab Univeristy, he also worked on Shilpa-sastra, Aeronautics and fine arts. Dr. Ram Gopal and Dr.D.D. Sharma was appointed Lecturer and later Dr. D.D. Sharma promoted as Professor. The teaching activities of the Department were expanded by the introduction of new groups i.e. Epigraphy, Veda, Darshana, Sahitya and Vyakarana. Dr. Ram Murti Sharma joined as Professor in Department and published a number of books on Indian Philosophy. Prof. Ram Gopal, Prof. Ram Murti Sharma and Prof. D.D. Sharma also received the Certificate of Honour from the President of India for their outstanding contribution to Sanskrit Studies. Dr. Rama Kant Angiras and Dr. Anirudh Joshi joined the Departrment as Lecturer. Dr. V.P.Upadhyaya and Dr. Dhan Raj Sharma were transferred from VVBIS and IS, Sadhu Ashram Hoshiarpur to Chandigarh campus. In 1984, Dr. Vikram Kumar joined the Sanskrit Department as lecturer. Dr. Ramankant Angiras, Dr. Anirudh Joshi, Dr. D.R. Sharma, Dr. V.P. Upadhyaya and Dr. Vikram Kumar all were promoted as Professor and served as Chairperson also. In 1990 Dr. Shankarji Jha and Dr. Virendra Kumar Alankar joined the Department. Prof. V.K. Alankar authored 17 books on Ved, Darshan, Grammar and Pali literature and Sanskrit Kavyas. Department library has a rich collection of books. One PG course i.e. M.A. in Sanskrit (68 seats each in I & II) and one UG course i.e. Certificate course in Upanishads and Gita (30 seats) running in the department. Besides this, faculty of department is also supervising research work of students enrolled for PhD in the field of Literature, Philosophy, Grammar, Veda & Dharma Shastra. Department organizes special lectures, Quiz Contests, Monthly Seminars, Declamation Contests, Group Discussions, workshops on important aspect (Indian Philosophy, Classic Literature, Vedic Literature, Grammar and Dharmashastras) and extra-curricular activities for students.

VISHVESHVARANAND VISHWA BANDHU INSTITUTE OF SANSKRIT AND INDOLOGICAL STUDIES

Vishveshranand Vishwa Bandu Institute of Sanskrit and Indological Studies is located at Hoshiarpur on Hoshiarpur to Una state highway. Hoshiarpur is known as city of saints and famous for ancient scripture Bhrigu Samhita. Institute is located in natural, green and peaceful environment. In 1947 after partition Acharya Vishwa Bandu Ji and his associates managed to bring the entire academic and administrative record, as well as the huge reference-cum-manuscript library of the Institute to India, in extremely difficult and dangerous circumstances. As a result of take-over of all the academic departments of the VVRI (research center founded by Acharya Vishva Bandhu) by the Panjab University on 1.7.1965, a new Institution under the name Vishveshvaranand Institute of Sanskrit and Indological Studies (VIS&IS) with Acharya Vishva Bandhu as its first Honorary Director, came into being. DR HARVANSH SINGH JUDGE INSTITUTE OF DENTAL SCIENCES & HOSPITAL

Dr. Harvansh Singh Judge Institute of Dental Sciences & Hospital was established in April, 2006. The Institute encompasses a total of 18 departments (9 dental and 9 medical) with 8 clinical and 11 pre-clinical and para-clinical laboratories.The academic course being offered in this Institute is Bachelor of Dental Surgery which is a four year course followed by one year of compulsory rotatory internship with 100 students being admitted each year. Master of Dental surgery in six specialities was started in 2015. The Institute is duly recognised by Dental Council of India/Ministry of Health & Family Welfare, Govt. of India. The Institute is attending to 350-400 patients everyday in the various specialty clinics. The Institute provides all kinds of oral health care facilities at very reasonable rates under one roof.A fully equipped diagnostic lab is functional at the Institute which is carrying out innumerable bio-chemical, histo-pathological and micro-biological tests for the patients coming to the institute as well as the general public.Our faculty members have been keenly involved in conducting research in various clinical and basic sciences.The clinical research includes surveys,

diagnostics & randomized controlled clinical trials, conducting outreach programs to enhance oral health awareness to the underserved population of the societywith special thrust on community healthcare and outreach programs for the children and the underserved population. Many outreach programmes have been conducted in the schools of tricity by the institute which have had a far reaching impact on not only oral health of the students but the general well being as well. Institute has a well-equipped library with computer and wi-fi facility for the students. Most of the course related reference as well as textbooks are available and are regularly updated. Many online and offline speciality journals are also available. The general ailments in patients from adjoining areas are also being attended to by faculty in the medical and surgical OPD. The Institute strives to provide selfless service to mankind to alleviate the oral sufferings of the masses, contribute to the society by generating dental workforce for the future, working on key research areas with focus on futuristic treatment modalities. /

ANTHROPOLOGY

The Department was established in 1960. During the last more than six decades, the Department has not only grown in terms of personnel, equipment and laboratories, and library, it has contributed significantly to the furtherance of anthropological teaching and research in the country. Infrastructure and Laboratory facilities for teaching and research are available in Osteology, Serology and Bio-chemical Anthropology, Palaeoanthropology and Prehistoric Archaeology, Socio-Cultural Anthropology, Dermatoglyphics, Forensic Anthropology, Molecular Anthropology. The unique 'S.R.K. Chopra Museum of Man' in the Department has a Gallery of Fossil Apes, Primates and Man which includes life-size models, and an Ethnographic Gallery which includes items of material culture. Fieldwork is organized by the Department where students are given instructions in the field and research methods and based on

empirical work they write progress reports. The Department was recognized as one of the centers under U.G.C. Programme of Special Assistance and Departmental Research Support in 1988, this programme was extended up to 2009.

ENVIRONMENT STUDIES

The Department of Environment Studies, Panjab University, Chandigarh was established in the year 2001. The department is currently offering Masters and Doctrol Programmes in Environment Studies. The programmes are designed to provide best academic and research facility to enhance the skills and provide students better job opportunities. In addition to teaching, research on current environmental issues of local, national and global importance remains the major thrust areas of the Department of Environment Studies. The department also undertakes consultancy on environmental related issues through the University. The research conducted by the department has been credited with various national and international awards. The department also serves as the nucleus for co-ordination and implementation of compulsory course on Environment Education for Under Graduate classes of Panjab University and its affiliated colleges. The department has suitably developed the laboratory facilities with many sophisticated analytical equipment's including UV-VIS Spectrophotometer, HPLC (High Performance Liquid Chromatography) Flame Photometer, COD-BOD assembly for teaching, demonstration and research purposes. The department has a well-equipped a Library with latest books and reading material in the field of Environment. The classrooms are equipped with LED Projector for teaching and imparting instructions to the students. Students are encouraged to use these aids for their seminars/project presentations. The students are regularly exposed to various aspects of industry requiring environmental attention, along with educational trips to the related production units and research institutions.

MICROBIOLOGY

The Department established in 1964 is one of the oldest and pioneer Microbiology departments in the country. The department has made a steady progress in teaching and research since its establishment and has been recognized by various Government agencies including Department of Biotechnology (DBT), Department of Science & Technology (DST), Ministry of Science & Technology for special assistance under various programmes. The graduates from this department are already employed in various National/International academic, research and industrial organizations.

DEPARTMENT CUM NATIONAL CENTRE FOR HUMAN GENOME STUDIES & RESEARCH

Department cum National Centre for Human Genome Studies and Research is relatively new education centre established in year 2002. The first sequencing of the human genome in 2002 provided a glimpse of humans at our most basic molecular level. The main goal of our department is to inspire and educate young minds in Genetics and Genomics. Students learn to approach problems and formulate questions that span the full range of biological systems, from genes to cells to medicine to evolution. Research in Genetics and Genomics is quickly becoming the key source of new insights, better understanding and targeted treatments of both rare monogenic diseases and common complex diseases such as coronary heart disease, cancer etc. Our ethos reflects and fosters a passion for discovery and curiosity and a commitment to excellence. The goal of this Centre is to provide the most advanced and comprehensive education possible related to human genome at the post graduate level. We highly value interdisciplinary knowledge and collaboration as the core of our effort. Our research addresses the molecular mechanisms underlying fundamental processes in biology and disease. We apply genetic, biochemical, cell biological, computational and biophysical approaches to study various questions/problems in biology. We are motivated towards understanding of human biology and disease and to develop solutions to societal health problems. Mission is to establish specific scientific programs that will be available to the public, to improve human health and well-being through education and research.

STATISTICS

The Department of Statistics was established in 1964 as a part of Mathematics Department, and since 1974 it is an independent Department. The Department offers M.Sc. and Ph.D. Courses in Statistics. The courses are designed to develop analytic and inferential aptitude of the students through theory and rigorous practical assignments along with exposure to practical training during the course of their study. The Department has received financial support for its academic growth under COSIST, FIST and SAP scheme of UGC and DST of the Government of India. The Department has also been awarded the status of DSA (Department under Special Assistance) by UCG based on its excellence in Teaching and Research. It is among one of the active departments in the country carrying out research in fields of Multiple Comparison Procedures, Reliability and Survival Analysis, Statistical Inference and Applied Statistics (Actuarial Statistics, Bio-Statistics, Econometrics and Income Distributions). The Department has well equipped Computer laboratory with access to softwares like MINITAB, SPSS, SYSTAT, R, S-PLUS, PYTHON and STATGRAPHICS. The students are given training for usage of R and SPSS for solving their practical assignments. Eminent Statisticians from India and other countries keep visiting the Department frequently for delivering lectures and research collaboration. The faculty members attend National and International conferences. Interaction with neighbouring industries in the field of process control and with institutes like PGIMER, GMCH, NIPER, IMTECH, CRRID, Census and NITTTR etc. for providing research consultancy to doctors and researchers is another highlight of the Department of Statistics. The faculty members also collaborate with sister departments for research and data analysis. The Department of Statistics has an independent Library which has on shelf more than 5000 books and access (offline & online) to about 20 journals. THRUST AREAS OF THE DEPARTMENT INCLUDE: Multiple Comparison Procedures Reliability and Survival Analysis Statistical Inference Applied Statistics: Actuarial Statistics, Bio-Statistics, Econometrics and Income Distributions

UNIVERSITY INSTITUTE OF FASHION TECHNOLOGY & VOCATIONAL DEVELOPMENT

University Institute of Fashion Technology and Vocational Development introduced a Five year Integrated Course in B. Sc. and M. Sc. in Fashion and Lifestyle Technology in July 2007. This course readies professionals for jobs in the Industry, Corporate, and Academia as also to start up a Private Enterprise or Venture. Rigorous training is imparted to the students in areas spanning over all aspects of the Fashion Industry. The pedagogy at University Institute of Fashion Technology and Vocational Development incorporates a nurturing environment which is a cohesive amalgamation of modern and conventional learning techniques. The methodology adopted gives inputs in core functional areas along with inter-disciplinary fields by problem solving methods. Fashion Journalism and Photography, Fashion Enterprise Management and Supply Chain, Quality Control, Cost and Logistics are some of the disciplines they are acquainted with during the course. The students are trained to be Fashion Illustrators, Designers, Pattern and Product Developers and are prepared to cater to the fast moving Fashion Industry in every way. Knowledge and Application of Textile and Computer Technology enable them to move with the flow of time. Students are given an opportunity to organize Fashion Shows and Exhibitions. They are exposed to In-House Training on state-of-art equipment and Industrial Experience, Research and Craft Surveys. The mode of instruction is highly student-centered and is through Projects, Seminars, Workshops, Educational Tours and Exhibitions. The evaluation system is a continuous assessment throughout the semester by way of assignments, projects, internships, and presentations. Their deep understanding and exposure in vast areas helps them fit into the Niche' Market as well as in the Mass Market of Fashion Makers. The aim is to incorporate Lifestyle Management in Professional and Personal life of every student and to provide the institution a continuous feedback on the performance and development of all the pass outs.

Achievement

"The University Institute of Fashion Technology (UIFT) regularly organizes a diverse range of workshops, expert lectures, and seminars every month to ensure the holistic development and capacity building of its students. These sessions are designed to provide exposure to industry trends, enhance practical skills, and bridge the gap between academic learning and real-world applications. Eminent professionals, industry experts, and academicians are frequently invited to interact with students, share their insights, and guide them in areas such as fashion design, technology, sustainability, entrepreneurship, and innovation. Through these initiatives, UIFT aims to nurture creativity, critical thinking, and professional competence among its students, empowering them to excel in the dynamic field of fashion and textiles."

ZOOLOGY

The Department of Zoology is one of the oldest and most well-established department in Panjab University, with a rich history of over 100 years in teaching and research. It was established in 1902 at Lahore and then shifted to Govt. College Hoshiarpur, in July 1960. Over the course of these hundred years, the department has achieved many significant milestones, evolving its teaching and research activities from classical approaches to the most contemporary advancements in the field of Zoology, maintaining its position at the forefront of both national and international scientific communities. The Department offers B.Sc. (Honours), M.Sc. and PhD courses under the academic curriculum of NEP-2020. The department has also received financial recognition for various programs, including the Special Assistance Program (SAP), the COSIST Program, the Centre for Advanced Studies (CAS), the DST-Fund for improvement of S&T infrastructure (FIST) and RUSA program for skill enhancement courses. The department has well equipped sophisticated instrumentation laboratories, apiculture and fish keeping laboratories, library, state of art vertebrate and invertebrate museum housing more than 6000 specimens. Currently more than 40

candidates are pursuing their doctoral studies from this department. The department has produced a number of eminent scientist, administrators and teachers

CENTRE FOR NUCLEAR MEDICINE

Nuclear medicine is the medical speciality concerned with the use of safe and small amounts of radioactive materials for diagnostic, therapeutic, and research purposes. More specifically, nuclear medicine is a part of molecular imaging because it produces images which reflect biological processes that take place at the cellular and subcellular levels. A typical nuclear medicine study involves the administration of a radionuclide into the body in order to obtain images of the organs, to perform various body function studies and to treat diseases. Most of the radionuclides used for diagnostic studies emit gamma rays, while the cell-damaging properties of beta particles are used in therapeutic applications. Radionuclides for use in nuclear medicine are derived either from nuclear reactors which produce radioisotopes with longer half-lives, or from cyclotrons/generators which produce radioisotopes with shorter half-lives. Radioisotopes/Radiopharmaceuticals have affinities for specific organs, bones, or tissues and emit gamma rays that can be detected externally by scintillation cameras. Images are created by computers and provide data and information about the areas of the body being viewed. Nuclear medicine imaging techniques combine the use of radioactive substances, detectors, and computers to provide functional images inside the human body by using advanced techniques like positron emission tomography (PET) and single photon emission computed tomography (SPECT). Nuclear medicine imaging is useful for detecting tumors, irregular or inadequate blood flow to various tissues, blood cell disorders and inadequate functioning of organs. During diagnostic procedures, the patient experiences little or no discomfort and the radiation dose delivered is very small. Nuclear medicine technical experts are highly skilled individuals and their responsibilities include performing in vivo, radiation safety and quality control procedures. Other responsibilities which include operating the cameras that create images including patient positioning and processing the data for research purposes. The discipline of nuclear medicine also produces dedicated scientists who develop radiopharmaceuticals/radioisotopes for the imaging/therapies of organs.

CENTRE FOR PUBLIC HEALTH

Centre For Public Health is running a Master Program in Public Health since the year 2007 under CEAST to cater to the emerging needs of the country to produce trained manpower for handling public health issues. Objectives of the Course: The students after completing the course in MPH will be able 1.To apply knowledge of the discipline of public health in real world situations, specially in the developing countries. 2. To gain knowledge of the factors influencing local, national, global, legislative and social public health policies. 3.To apply broad-based interdisciplinary skills for problem solving. Job Opportunities: The students after acquiring the degree of MPH can be placed as specialists in health service administration, bio statistics, epidemiology, health education, environmental health, nutrition, health educators, policy analysts, epidemiologists, food safety inspectors, researchers, health inspectors, in Health insurance companies, in local/state/govt. health departments, in govt./private hospitals.

Achievement

A delegation group of PhD Research scholars – Ms. Ashneek Kaur, Ms. Shefali, Ms. Venus and Ms. Divya Dang from the Department of Evening Studies-MDRC had the opportunity to attend the Governance Summit 2024,

conducted by Bharti Institute of Public Policy, held at the Indian School of Business (ISB) Mohali Campus on June 18, 2024. The summit focused on the theme "Food Systems: Balancing Equity and Sustainability," providing an enriching platform for participants to engage in insightful discussions on pressing policy challenges. It was a valuable experience for our scholars to interact with experts and broaden their understanding of sustainable food systems and governance.

P.U. REGIONAL CENTRE, LUDHIANA

The Panjab University Extension Library in Ludhiana was established through the combined efforts of Panjab University Chandigarh, the University Grants Commission (UGC), and the Indian Wheat Loan Education Exchange Programme of the U.S. Embassy. In 1959, a UGC Committee, along with representatives from Panjab University and the Wheat Loan Office, visited Ludhiana and, recognizing the town's academic potential and growing student population, approved the establishment of an Extension Library. Funds were sanctioned, a small staff was appointed, and a rented building was secured. Initially, book acquisition was managed from the Panjab University Library in Chandigarh, but the entire process was shifted to Ludhiana in April 1960, and the library officially opened in July 1960. With generous funding from the UGC and contributions under PL 480, along with support from organizations such as the Asia Foundation, British Council, U.S. Information Service, and United States Book Exchange Programme, the library developed an initial collection of 43,000 books. Construction of the current library building began in June 1966, designed by Panjab University architect Shri B.P. Mathur in consultation with librarian Dr. Jagdish S. Sharma. The building was funded by the UGC, the State Government, the Local Zila Parishad, and Panjab University at a cost of Rs. 9 lakhs. The library has a stacking capacity of 150,000 volumes, seating for 200 readers, and includes an auditorium with a 250-person capacity used for academic and cultural programs. The library is administered by a local committee chaired by the Vice-Chancellor of Panjab University and includes members from local colleges, Panjab University Syndicate and Senate, and librarians from PU, PAU, and the Extension Library. Over time, the library's collection has grown to over 1.80 lakh publications, including books, bound journals, dissertations, rare materials, government reports, Braille books, and university documentation. It currently subscribes to more than 110 national and international journals, serves over 2,100 members, and is in the process of computerization, automation, and air-conditioning. In 2003, the Panjab University Regional Centre (PURC),

Ludhiana, was established on the same campus by Vice-Chancellor Prof. K.N. Pathak. A separate academic block was built with a Rs. 1 crore MPLADS grant from MP Shri Lajpat Rai. The first program introduced was the LL.B. (Three-Year) course, followed by the B.A. LL.B. (Hons.) Five-Year Integrated course. Later, LL.M. (Two-Year) began in 2015, and a One-Year LL.M. was introduced in 2023. In 2007, the University Business School (UBS) was launched under Vice-Chancellor Prof. R.C. Sobti. Within a decade, UBS Ludhiana gained recognition for its quality education and strong placement record. Admissions are conducted through CAT, and UBS Ludhiana is officially registered with the IIMs as a non-IIM institution. Thus, the Panjab University Extension Library and PURC Ludhiana have become crucial centers for academic resources and higher education, playing a significant role in the intellectual and professional development of the region.

P.U. S.S. GIRI REGIONAL CENTRE, HOSHIARPUR

P.U. S.S. Giri Regional Centre, Hoshiarpur Panjab University, Chandigarh established a Regional Centre in the Kandi area of Punjab to cater the academic needs of the rural students of the region (in 2006). This campus was named as Panjab University Swami Sarvanand Giri Regional Centre, Hoshiarpur (Punjab) in the year 2011. Spread in picturesque environment near Shivalik foothills, the centre is a landmark donation of infrastructure spread in 10.86 acres of lush green area in the land of saints (Hoshiarpur) by Dr. Lajpat Rai Munger. The Centre was started with an aim to provide innovation and pre-eminence in the fields of Engineering and Research, conforming to the standards of Panjab University, Chandigarh. Presently the centre runs, University Institute of Engineering and Technology (UIET), Department of Computer Science and Applications (DCSA) and University Institute of Legal Studies (UILS).

CENTRE FOR SKILL DEVELOPMENT & ENTREPRENEURSHIP (CSDE)

The Centre for Skill Development & Entrepreneurship (CSDE) was set up in 2015 with a mandate to bridge skill gaps and nurture the entrepreneurial spirit. The Centre aims to promote the students' skill development, facilitate industry exposure of students/faculty, and inculcate among students the skill which can be the key to competitiveness in the corporate world.

VISION: Envision Panjab University as the ultimate in skill development and nurturing entrepreneurial skills.

MISSION: Ensure employability through industry development by developing necessary mechanisms to bridge skill gaps and fostering new startups.

OBJECTIVES:

1. To facilitate students' understanding of their latent skills.
2. To align the skill of students with the career of their choice.
3. To map the skill of the students with the changing paradigm of employment.
4. To promote industry linkage of faculty through joint workshops/visits.
5. To inculcate a spirit of entrepreneurship as well as to enhance creativity and innovation among students.
6. Provide mentorship and guidance to students through the Alumni Association.

DIRECTOR, RESEARCH AND DEVELOPMENT CELL

Professor Yojna Rawat, Director, Research & Development Cell

The National Education Policy (NEP) 2020 envisages the promotion of quality research within the Higher Education system. Research and innovation are important aspects to enhance quality education by the Higher Education Institutions (HEIs). Societal challenges of our country can only be addressed by having a strong and vibrant higher education ecosystem with an emphasis on research, innovation, and technology development. The integration of Research, Innovation and Technology Development is the foundation of Atma-Nirbhar Bharat (Self-reliant India). The establishment of Research and Development Cell (RDC) in Panjab University, Chandigarh is aimed at enabling the attainment of targets of Atma-Nirbhar Bharat and is expected to play a crucial role in catalysing multidisciplinary/ transdisciplinary and translational research culture mandated in NEP 2020.

Vision

To put in place a robust mechanism for developing and strengthening the research ecosystem within the University in consonance with the provisions of NEP-2020.

Mission

- To create a congenial ecosystem environment for enhanced research productivity.
- To promote collaboration across industry, government, community- based organizations, and agencies at the local, national, and international levels.
- To facilitate greater access to research through optimum utilization and mobilization of existing resources and funding.

Objectives

- To build an organizational/ intra-institutional structure with role-based functions of RDC, formulate Research Policy for the University, identify thrust areas of research, and form related cluster groups/ frontline teams/consortia of researchers.
- To help the University create Research Policies for recruitment of research personnel, procurement of equipment, and financial management with sufficient autonomy to the Principal Investigator(s) and propagate research outcomes to stakeholders and the public at large.
- To put in place policies to promote researchers and innovators, identify potential collaborators from industry, research organizations, academic institutions & other stakeholders for cooperation and synergistic partnerships.
- To act as a mediator between researchers & relevant research funding agencies, provide guidance in preparation & submission of project proposals and post-sanctioning of the grants to supervise adherence to timelines.
- To create mechanism for coordination among other cells/centers dealing with University-Industry Inter Linkage, Incubation, Innovation and Entrepreneurship Development and Intellectual Property Rights (IPR).
- To develop an Institutional Research Information System through IQAC for sharing the status of ongoing/ completed research projects/Programmes, expertise & resources, etc., making effective use of Information & Communication Technology (ICT) for preparing the database of in-house experts to provide industrial consultancy and services.
- To engage & optimally utilize the services of superannuated active faculty/scientists in research capacity building of talented young minds and promote mobility of researchers across institutions and R&D Labs.
- To serve as nodal center for ideation and conceptualization of research topics/themes, across the disciplines, by organizing workshops and training programs and ensuring the integrity and ethical practices in research activities including clearance of ethical committee wherever and whenever needed.

Functions

The establishment of the RDC would facilitate the creation of a research ecosystem for impactful and sustained research output. The essential elements of such an ecosystem, viz., generation of knowledge and facilitation of research, innovation and technology development for industrial & societal benefits, are addressed by human resource (researcher & faculty), intellectual capital (knowledge & skills), governance (regulation & policies) and financial resources (funding & grants).

A Few significant tasks performed along with routing work are mentioned below;

- Attended Second Meeting with State-owned Universities/ Institutes was held on the 31st of August, 2023 at 1100 hr in the NITI Aayog.
- As per UGC Guidelines and in consonance with the NEP 2020, frequent meetings have been organising under the able guidance and chairpersonship of Prof Arun K. Grover (Former, Vice Chancellor, P.U. CHD), to prepare a comprehensive Institutional Development Plan of Panjab University, Chandigarh to be submitted to the UGC.
- Represented Panjab University, during National Conference on Higher Education in State Public Universities organised by NITI Aayog on Thursday, 2nd November, 2023, at the Samrasta Auditorium, Dr.Ambedkar International Centre, New Delhi.
- Applications for the post of Full time DPIIT-IPR Chair Professor at Panjab University, Chandigarh was invited through email.

HOSTEL ACTIVITIES

A Hostel is a home away from home. Aware of the special needs and requirements of students, who come from far-flung places to this centre of learning, the Panjab University provides them surrogate home.

There are Resident Halls for students on the campus, 8 for boys and 10 for girls, one Working Women Hostel and one International Hostel. These Halls, which accommodate about 6500 students, are named after eminent men and women, historical personalities who played an important role in shaping the destiny of the world and left footprints on the sands of time like Mehar Chand Mahajan, G.G. Chatterji, Shanti Swaroop Bhatnagar, Vallabh Bhai Patel, Lala Lajpat Rai, Justic Teja Singh Samundari, Swami Vivekanada, Baba Banda Singh Bahadur, Mata Gujri, Laxmi Bai, Sarojini Naidu, Kasturba Gandhi, Savitri Bai Phule, Mother Teresa, Bebe Nanki & Florence Nightingale, Amrita Pritam Hall.

Architecturally, the hostels are aesthetically laid out with plenty of open spaces and a lot of greenery. The rooms are comfortable, fitted with fan lights and hard furniture. Sometimes, as in the case of newcomers, rooms are allotted on sharing basis. Each wing of the hostel has several verandahs and balconies. Facilities like beauty parlours/saloons, Dry Cleaners, STD/FAX booths and tailoring/embroidery booths have been provided in all Hostels.

Creature comforts are important but they are not enough. Man is a social animal and needs to interact with others. The resident students are encouraged to participate in cultural and social activities. Colorful evenings of song and dance are not unusual on the Campus. Talent shows, dramatics and literary events are organized from time to time. The inmates of hostel are encouraged to live in harmony, like a big family, lending each other a helping hand when required, mutually cooperating to make hostel life a rich and fruitful experience.

There is no doubt that during these formative years in the hostels, life-long bonds are created and friendships cemented. This is a time, which will stand out in the memory as a golden period. University experience is an important milestone in an individual's life, the stepping-stone to an adult life of responsibility and care. The hostels of P.U. try and provide an ideal atmosphere for a healthy, all round development of personality and a launching pad for a glorious career ahead.

Living in a hostel presupposes the high degree of integrity, consciousness, cooperation and hard work for a bright future and good image of the Institute.

4. ICSSR-NWRC Sponsored National Seminar on the theme 'Role of National Education Policy in Re-Accreditation Framework for Higher Education' held on 10 June 2023

Higher Education Institutions (HEIs) play the most critical role in providing high-quality education and holistic development opportunities to the students, which is crucial for the growth of a nation. There are numerous accreditation agencies to accomplish this goal. Unlike other ranking frameworks limited to few institutions, NAAC is reaching almost all the higher educational institutes (HEIs) and playing a vital role in the growth of the institutions and individuals across the nation.

The present National Education Policy of India 2020 (NEP 2020), aims at school and higher education institutions both outlining the vision of new education system of India. The National Education Policy 2020 was approved by the Union Cabinet of India on July 29, 2020. The new NEP 2020 is based on four pillars which are: Access, Equity, Quality and Accountability. This national seminar is an attempt to share and discuss the applicability and implementation of NEP 2020 effectively in the educational institutions across India.

NAAC accreditation enables HEIs to assess their strengths, weaknesses, and opportunities through an informed review process. As quality enhancement is dynamic, NAAC periodically reviews its evaluation and accreditation process by modifying various quality indicators. In this regard, organizing a seminar, which enables the institutions to prepare for the assessment as per the Revised Framework of NAAC in the challenging scenario of National Education Policy is critical. During this seminar participant will get opportunity to interact with the resource persons. This seminar will also provide a platform to participants for sharing their views and suggestions for the smooth and successful conduct of Assessment and Accreditation Process in the regime of National Education Policy.

Dev Samaj College of Education for Women, Ferozepur City

The arena of higher education in India possesses a valuable heritage with historic institutions like Dev Samaj who have stood the test of time for more than a century with a priceless inheritance. Dev Samaj College of Education for Women, named after Bhagwan Dev Atma Ji, was established to propagate the cherished ideals of service, leadership, social responsibility, and academic pursuits for women. The Highest Evolution of mankind is the summum bonum of the Dev Dharma. Dev Samaj believes in the Science of moral and spiritual laws of soul. It employs the scientific method and accepts the scientific pattern of thought that Nature is self-sufficient in its working, and therefore we are not to go 'Out of Nature' to understand any happening within it. Dev Samaj considers women education essential for their social, moral and spiritual upliftment. The Illustrious Founder set a golden example in his childhood when feeling strongly that education was as good for girls as for boys. Earlier times women education was considered superstitious breed involving the divine wrath. The venerable Founder of Dev Samaj realised that future of women lay in education. Education alone could open opportunity of enlightenment and independence for women. lt is hoped that with an inbuilt momentum, Dev Samaj College of Education for Women, Ferozepur will continue to march onward to a better tomorrow in the service of the Nation. This visionary culture

allows and emphasizes our students not only to adapt to the present day challenges but, to also take on individual responsibilities to the society and our nation at large. Dev Samaj College of Education for Women, Ferozepur City has maintained its distinction in imparting quality education. This College has been equipping students not only with domain knowledge, intellectual discipline but also enabling them to make meaningful contributions globally.

Vision

Keeping in view the vision of Revered Bhagwan Dev Atma to empower and emancipate women, the vision of the college is:

- To shape, sensitize and inculcate in the prospective teachers a desire for excellence combined with right attitudes, values and ideologies.
- To achieve academic excellence through hard work, critical thinking and effective decision making.

Best Practices of the Session

- Adding Value to Quality Enhancement of Students
- To facilitate learning among their pupils through appropriate skills and methodologies and to exercise responsible leadership and render selfless service to the community.

Contribution of the stakeholders in Quality initiative of the college

One Day Seminar on "Say No to Plastic"(20-09-2023) Plastics especially the single-use plastic items pose an enormous threat to the environment. The irony often seen is that we produce a product which is highly dangerous for the environment from the precious non-renewable resources of our planet like petroleum and natural gas. Ban on plastics can surely help in saving our non-renewable resources which if once lost might not be retrieved. Keeping

this in mind, Our College organized a One Day Seminar on "Say No to Plastic" on 20th Sep., 2023. The main objective of this Seminar was to make students aware of the bad effects of plastic on environment, human beings and animals. The Seminar started with the motivational and informative lecture from the College Principal, Dr. (Mrs.) Rajwinder Kaur. She appraised the gathering with hazardous effects of the use of Plastic. She told that plastic is bio-non-degradable product and can't be eliminated without damaging the environment. Dr. Mokshi, the Resource Person of the Day also enlightened the people about drawbacks of the use of plastics especially the single- use Plastics. Besides agreeing with the Principal about the hazardous effects caused by single use plastics, she preferred to tell their substitutes. She suggested that instead of using the plastic bags, people can use bags made of cloth, paper and jute. She admitted that law couldn't do much in this regard; the ban must come from within. Then she even administered the oath to all that they would try to use fewer plastics. There was enthusiasm among all. It seemed to be a very successful Seminar.
